Public Safety

Delaware Tech is committed to providing the campus community with a safe environment in which to learn and work. We work with administration, faculty, staff, and students with the mutual goal of maintaining order and preventing crime. Public Safety provides a full range of services: public safety assistance phones, safety escorts, lost and found, student identification cards, and a motorist assistance program. You'll see our officers patrolling the campus on bicycle or Segway, in their patrol cars, or on foot.

Delaware Tech Public Safety
Delaware Technical Community College's Public Safety is staffed by public safety officers and public safety constables. Our public safety constables are trained law enforcement officers who have been granted arrest powers by the State of Delaware. Officers from the Public Safety Department enforce the College's rules, regulations, and the appropriate laws of the State of Delaware. The Department is here to provide assistance with issues involving your safety and security. We respond to all reports of criminal or disruptive activity, as well as fire and medical emergencies and traffic and other types of accidents occurring on College property. Delaware Tech Public Safety also maintains a close working relationship with local law enforcement agencies, and when necessary, calls them for assistance.

We are committed to providing a safe campus community for everyone. Please forward your concerns or observations of criminal activity directly to your campus Public Safety Office, and we will make sure to handle it in a timely manner. Everyone is encouraged to participate in this program!

Make sure to program the phone number of your campus Public Safety Office into your cell phone!

- **Owens Campus, Georgetown**
  (302) 259-6241

Public Safety Assistance Phones

Look for the silver wall mounted call-boxes located throughout the buildings. Push the black button on the front of the silver call box and a Public Safety Officer will be dispatched to your location immediately.

Student Identification Cards
Registered students are required to obtain an identification card from the Public Safety Office. To obtain a student identification card you must present a copy of your current semester schedule and a form of photo identification such as a state issued driver's license, identification card or military identification. Students are required by College policy to be in possession of the ID card whenever on campus. Students may be required to show the ID cards at College functions, the Wellness Center or the Business Office. ID cards are also required to use the Tutoring Center, the labs, and to borrow books from the campus Library. There is no charge for a student ID. For additional information call or visit the Public Safety Office.

Safety Escort
Offers escorts to vehicles or between buildings upon request. To obtain a safety escort, call 454-3938 or notify any Public Safety Officer.

Lost & Found
Located in the Public Safety Office, room A130. For more information or for items lost/found on campus, please call 454-3938.

Program Assisting Motorists (PAM)
Provides limited assistance when keys are locked in cars or a battery is dead.
Call 454-3938.

Bike Patrol Program
The bike patrol program aims to extend the visibility of our officers, increase safety in our parking lots and on College property. For more information on bike patrol, contact our Public Safety Office at Ext. 3938 from any office telephone. Off-campus, call 454-3938.

Wilmington
