Online Application

Admission to Delaware Tech

PLEASE READ BEFORE CONTINUING:
If you are an International Student you may not use the online application.
Click here for admissions information and procedures for International Students.

Before you begin the online application, please review these important instructions:

1. Select “First time user account creation” to create your temporary username and password for the online application. **Please record this as you will need it to complete the application process.**
2. Select your “Application Type”. This question will require you to know if you will be “Award-Seeking” or if you will be taking “Courses Only” and which Campus you will be attending. Please make sure that you select the Campus in which your program of choice is located. **Note:** Campuses have different program offerings. For more information, visit our programs of study webpage.
3. The online application will require the following information:
    - Social Security Number
    - Valid email address - will be used for critical follow-up information
    - Choice of Major - for more information go to our programs of study webpage.
4. To complete the application and be admitted online to Delaware Tech, you must pay the non-refundable $10 Application Fee with a Visa, MasterCard, or Discover credit card.
5. If you have a disability and require assistance filling out this online application, please contact the Admissions office at your desired Campus
6. To proceed with the online application process, please answer the following question:

Are you a U.S. citizen?
YesNo
