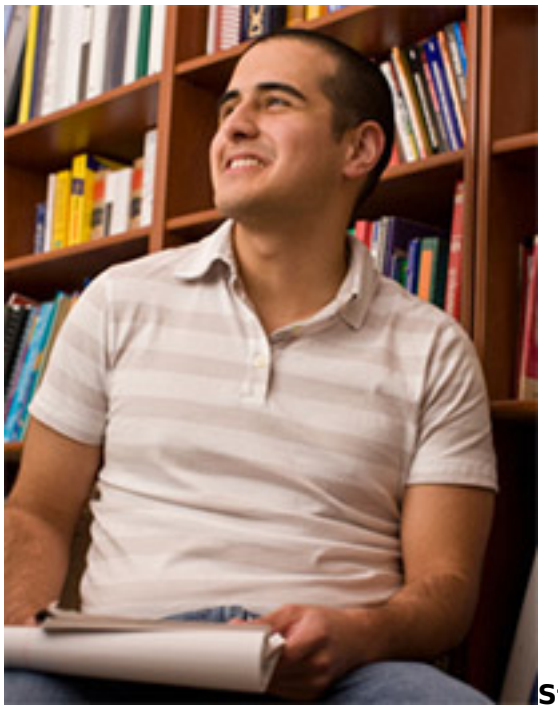
Library Databases

As a Delaware Tech student, you have access to respected, high quality online databases that will provide you with the latest information in your field of study. Journal and magazine articles, newspaper articles, reference materials, Congressional testimony, and other materials will enhance your ability to explore current issues and conduct research.

General Topics



Student in Library

- A-to-Z **[1]** - Journal titles available in databases and journals to which the library may have access.
- Credo Reference **[2]** - Search in hundreds of reference resources and subject-specific titles, including images, audio files and videos.
