

Board of Trustees

The Board of Trustees of Delaware Technical & Community College is the governing body of the institution. All members are appointed by the Governor of the State of Delaware with the consent of a majority of the State Senate. Six members are appointed for three-year terms,—one from the City of Wilmington, one from New Castle County outside the City, one from Kent County and one from Sussex County, with the remaining two from anywhere in the State. The seventh member, the Chairperson, is appointed by the Governor and serves at the pleasure of the Governor. No more than four members may be of the same political party. The Board of Trustees sets policy for the College and is responsible for assuring that the institutional mission is carried out. Among its numerous responsibilities, the Board approves the College plan, is responsible for the management and control of the institution, has the power to appoint administrative and teaching staff, sets the tuition rate, and approves fees. The Board also reviews fiscal matters and approves budgets.
