

ACCOUNTING

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's associate degree program in Accounting provides students with core accounting, business, and general education courses as well as information technology and communication skills to prepare them for entry-level technical and professional careers in industry, in local, state, and federal government, and in public accounting. Additionally, students are prepared to continue their education at the baccalaureate level.

Wilmington University's Bachelor of Science degree program in Accounting offers a curriculum that will provide basic accounting theory with an emphasis on developing analytical skills and technological competency. Classes taught by experienced certified public accountants and other professionals in the field will address both theoretical and practical issues to enhance employment opportunities in today's accounting environment. This program prepares students for entry into careers in public, private, or governmental accounting.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION

Refer to the Connected Degree curriculum (on the reverse side of this page) for the sequence of courses needed to complete this program. Call Delaware Tech and let us help you follow the path to your bachelor's degree.
