

BUSINESS ADMINISTRATION TECHNOLOGY ACCOUNTING OPTION

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington College.

THEORY & PRACTICE...

Why wait to try your skills in the career field? Start an exciting career at Delaware Tech. At Delaware Tech the Accounting Technology is a blend of academic and technical courses that prepares students for professional and technical accounting careers in public accounting in small, medium, and large businesses. You will take applied courses in accounting, auditing, business statistics, business problem solving and strategic decision making, technical communication and microcomputer business use. With your Delaware Tech start and Wilmington College connection, your career and advancement can be a reality.

SERIOUS SAVINGS...

The associate-bachelor's **connected degree program** lets you get the education you need at a cost you can afford. Tax dollars at work make it possible for Delaware Tech to have the lowest tuition rate in the state of Delaware. Use what you save to pay for the bachelor's degree program!

MAKING THE CONNECTION...

This information sheet shows you the courses needed to complete your associate degree at Delaware Tech and your bachelor's degree at Wilmington College. Call Delaware Tech and Wilmington College, visit the campuses, and let us help you plan the transition!
