

# CRIMINAL JUSTICE – HOMELAND DEFENSE & EMERGENCY MANAGEMENT OPTION

Delaware Technical & Community College •

*An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Strayer University.*

## **YOUR PATH TO A BACHELOR'S DEGREE**

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

## **THE CONNECTED DEGREE 2 + 2 CURRICULUM**

The Criminal Justice – Homeland Defense & Emergency Management Option prepares students for entry-level careers with local, state, and federal law enforcement and emergency management agencies as well as corporate organizations. Courses offered provide a basic understanding of the techniques and processes for emergency preparedness, management, response to and recovery from man-made and natural disasters. In addition the program provides students the foundation for transfer to public and private institutions to complete the requirements for a bachelor's degree.

Strayer University's Bachelor of Science in Criminal Justice provides students with the theoretical, legal and operational aspects of criminal justice. Students acquire fundamental (as well as practical and professional) skills in all areas of criminal justice. Graduates are prepared for a variety of positions in the public and private sector including law enforcement, corrections, homeland security, private security, and juvenile justice. Students may tailor their degree to their specific career and educational goals by choosing a concentration such as Homeland Security and Emergency Management.

## **VALUE FOR YOU**

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

## **MAKING THE CONNECTION**

Refer to the Connected Degree curriculum (on the reverse side of this page) for the sequence of courses needed to complete this program. Call Delaware Tech and let us help you follow the path to your bachelor's degree.
