

CRIMINAL JUSTICE

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Kaplan University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's associate degree program in Criminal Justice provides career education for employment or career advancement in public and private, criminal justice organizations. Graduates are prepared to practice careers in law enforcement and related services, corrections, counseling and case management. In addition the program provides students the foundation for transfer to public and private institutions to complete the requirements for a bachelor's degree.

Kaplan University's online baccalaureate degree completion program in Criminal Justice combines a broad liberal arts education and professional skills training with courses designed to help students develop a solid foundation of criminal justice knowledge. Graduates are prepared for careers related to computer crime, corrections, counterterrorism, crime scene investigation, fraud investigation, homeland security, law enforcement, private investigations, or public safety. Additional opportunities may be found in corporate, government, or private security.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION
