

# Delaware Tech - Delaware State University Dual Admission

## STUDENT FACT SHEET

Delaware Tech (DTCC) and Delaware State University (DSU) offer Dual Admission for students enrolled in DTCC - DSU Connected Degree programs.\* Dual Admission provides services to help students smoothly transfer to DSU to pursue their bachelor's degree after DTCC graduation.

### **Dual Admission Services**

Dual Admission provides eligible students with the following services:

1. **Admission to DSU** while you are completing your associate degree, provided you comply with requirements.
2. **Academic advisement and University information** at meetings provided by your Connected Degree bachelor's degree program during the fall and spring semesters at each DTCC campus.
3. **Priority pre-registration** in University courses for your first University semester after Delaware Tech graduation.
4. **Locked-in bachelor's degree requirements** for the specific Connected Degree program in effect at the time you enter the Dual Admission program. You have the choice of completing bachelor's degree requirements in effect at the time you signed the Intent-to-Enroll form or of completing new requirements that may go into effect after that time. If a required course is no longer offered, the University will designate a substitute course. However, neither the number of credit hours nor the number of semesters required for degree completion will be increased.
5. **Guaranteed placement in University residence halls** if desired, provided you comply with established residence policy and application procedures.

## Dual Admission Eligibility

If you are enrolled in a Delaware Tech – DSU Connected Degree program, you will be conditionally admitted into the University and the designated bachelor's program provided you:

1. Sign a non-binding, Intent-to-Enroll form any time after enrolling in the Delaware Tech Connected Degree program and before attaining 30 college credits at Delaware Tech or another college or university;
2. Complete the Delaware Tech associate degree with a minimum GPA of 2.5.
3. Do not attend another institution between the time you graduate from Delaware Tech and formally enroll at the University;
4. Formally enroll in the University within one year of Delaware Tech associate degree completion.
5. Complete other regular University admissions requirements in compliance with the Connected Degree agreement and established by the University. These include informing your DSU advisor in your last semester at Delaware Tech of your planned date of enrolling at DSU and filling out a short form. You must do this by January 31<sup>st</sup> if your final semester is spring or September 15<sup>th</sup> if your final semester is fall.
6. Comply with the appropriate enrollment deadlines determined by the University. Financial aid forms must be submitted by February 28<sup>th</sup> for the fall semester and October 1<sup>st</sup> for the spring semester. If you wish to live on campus, the application form and deposit must be received by March 30<sup>th</sup> for the fall semester and November 1<sup>st</sup> for the spring semester. You must arrange for Delaware Tech to send your transcript within one week after your graduation. Be sure to send it to DSU Admissions Office, Attn: Dual Admissions.

You will be ineligible for Dual Admission, and the benefits that stem from this program, if you:

1. Fail to complete the associate degree portion of the Delaware Tech/University Connected Degree program;
2. Fail to adhere to the provisions of the Connected Degree program or the provisions of this agreement; or
3. Withdraw in writing your Intent-to-Enroll.

If you are ineligible for Dual Admission and desire University admission, you may apply for admission under the University's regular transfer admissions process.

\* Connected Degree programs are those associate degree and baccalaureate degree programs that have a current articulation agreement signed by Delaware Tech's and the University's Presidents. A list of Connected Degree programs may be obtained from your DTCC advisor or counselor; or by visiting the DTCC website [www.dtcc.edu/transferoptions](http://www.dtcc.edu/transferoptions)
