

EMERGENCY MEDICAL TECHNOLOGY (PARAMEDIC)

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's nationally accredited associate degree program in Emergency Medical Technology (Paramedic) prepares students to provide advanced pre-hospital emergency care under medical command authority to acutely ill or injured patients. Graduates are prepared to recognize, assess, and manage a medical or trauma emergency, record and communicate pertinent data to designated medical command authority, and direct and coordinate the transport of the patient and will be eligible to sit for the National Registry Examination. Employment opportunities exist in a variety of emergency medical settings.

Wilmington University's degree completion program in Allied Health Management is for Allied Health practitioners who have earned an associate degree with an Allied Health concentration. This program is for those Allied Health professionals who wish to advance their careers with a more administrative focus. The program allows practitioners to transfer most, if not all, of their credits from their initial education. The goal of the program is to provide expert practitioners in the Allied Health field with the knowledge and skill needed to advance in their careers.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION
