

HOSPITALITY MANAGEMENT TECHNOLOGY

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Delaware State University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's accredited associate degree program in Hospitality Management prepares students with a solid background in the principles of business as well as in specific areas of hospitality operations. Graduates are prepared to play a vital role as managers in the success of a hotel, restaurant, country club, theme park or attractions environment. Additionally, students may continue their education at the bachelor's degree level.

Delaware State University's bachelor's degree program in Hospitality and Tourism Management prepares students to step directly into entry-level hospitality management jobs with the potential for rapid advancement. Classroom assignments are project-based and simulate real-world managerial and business problems. In addition, students gain valuable experience via internships and field placements. Graduates from this major enter the work force fully prepared for management careers with major hotel and restaurant chains, travel agencies, and tour companies.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION
