Widener
University

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Widener University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's accredited associate degree program in Hospitality Management prepares students with a solid background in the principles of business as well as in specific areas of hospitality operations. Graduates are prepared to play a vital role as managers in the success of a hotel, restaurant, country club, theme park or attractions environment. Additionally, students may continue their education at the bachelor's degree level.

The School of Hospitality Management at Widener University offers a quality Bachelor of Science degree with an emphasis on field experience and hospitality leadership. The curriculum combines a rigorous academic program of courses in business administration, liberal arts, and hospitality management with a minimum of 1,400 hours of paid industry experience. Graduates may pursue a broad range of leadership positions in the hospitality industry, including food and beverage manager, casino manager, convention manager, event planner, and travel/tourism manager.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION
