

MEDICAL ASSISTANT TECHNOLOGY

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's accredited associate degree program in Medical Assistant Technology prepares graduates to work with other members of the health care team performing both clinical duties (assisting with patient care) and administrative duties (performing medical office tasks). Graduates may apply to take the certification exam given by the American Association of Medical Assistants. Successful candidates are Certified Medical Assistants (CMA), with employment opportunities in physicians' offices, hospitals, and other health care facilities.

Wilmington University's degree completion program in Allied Health Management is for Allied Health practitioners who have earned an Associate's Degree with an Allied Health concentration. This program is for those Allied Health professionals who wish to advance their careers with a more administrative focus. The program allows practitioners to transfer most, if not all, of their credits from their initial education. The goal of the program is to provide expert practitioners in the Allied Health field with the knowledge and skill needed to advance in their careers.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION

Refer to the Connected Degree curriculum (on the reverse side of this page) for the sequence of courses needed to complete this program. Call Delaware Tech and let us help you follow the path to your bachelor's degree.

CONNECTED DEGREE CURRICULUM
