

PHI THETA KAPPA (PTK), ALPHA EPSILON EPSILON

Advisors: Bill Smith, Ext. 3539

Janelle Boyer, Ext. 3220

Alpha Epsilon Epsilon is the Owens Campus chapter of PTK, an international organization for the recognition of academic achievement by students of two-year colleges. Members must possess a 3.25 cumulative grade point average or above with 12 credit hours. Associate memberships are available.

PHYSICAL THERAPIST ASSISTANT CLUB

Advisors: Joanne Howell, Ext. 5933

Marcia Kile, Ext. 5525

The Physical Therapist Assistant Club meets regularly with students in the Physical Therapy program to encourage friendships and teamwork. Fund-raising and extracurricular activities promote team spirit and success in the field of physical therapy.

RADIOLOGIC TECHNOLOGY CLUB (RTC)

Advisor: Terri Hitchens, Ext. 5177

Kristie Hellens, Ext. 5582

The Rad Tech club is open to all students in the Radiology Program. The purpose of the club is to provide opportunities for students to interact outside of the formal classroom and clinical setting. The club engages in community service events, conducts fund-raisers to benefit local charities, and sponsors bake sales/yard sales throughout the year to raise money for the two-day National Registry Review.

RESPIRATORY CARE CLUB (RCC)

Advisors: Amy Thomas, Ext. 5576

Charles McElroy, Ext. 5520

RCC is open to all students interested in the Respiratory Care Technology. The club's purpose is to provide students with an opportunity to interact with others and to facilitate mentoring in their major. Members meet monthly (when the club is active) and attend professional educational conferences during the year. A primary goal of this club is to provide community education and support through information and training on prevention and treatment of lung disease.

STUDENT NURSES' ASSOCIATION (SNA)

Advisors: Maggie Fleetwood, Ext. 5536

Brenda King, Ext. 5509

Student nurses become involved in professional nursing at the local school, state, and national levels of the association. Members are encouraged to participate in campus, community, and statewide events, including the National Student Nurses' Association.

STUDENTS IN SERVICE TO OTHERS (SISTO)

Advisors: Dr. T.J. Mumford, Ext. 5937, Sally King, Ext. 2531, Dr. Sandi Naumann, Ext. 5945, Sam Indelicato, Ext. 2720

The purpose of SISTO is the promotion of service to the community, the development of leadership skills, and the cultivation of fellowship

among participating students. Students who are interested in helping others in the community or want to suggest community service projects in which students can make a positive impact are asked to contact Dr. T.J. Mumford.

STUDENT SENATE

Advisor: Kerri Harmon, Ext. 3620

The Student Senate provides the framework for students to become informed about all activities and events held on the Owens Campus. The Student Senate executive officers communicate student interests, governs student activities, and stimulate aspects of student life beyond the classroom that are essential to a full and meaningful college experience. Student Senate meetings are held once a month. Meeting times are posted on the student activities bulletin boards, in the SCRIPT and on MyDTCC.

VETERINARY TECHNOLOGY CLUB

Advisor: Lisa Garrison, Ext. 5518

The VetTech Club is for students enrolled in the Veterinary Technology program who are interested in networking with fellow students. As a student chapter of National Association of Veterinary Technicians in America, the club's focus is on animal health.

AT DELAWARE TECH

Jack F. Owens Campus, Georgetown, Delaware

DELAWARE
TECH

CLUBS AND ACTIVITIES

Clubs and activities are an important part of your education at Delaware Tech. Being part of a club develops qualities integral to success in the workplace. Your involvement strengthens your ability to work as a team player, develops your decision-making skills, and promotes project planning and implementation skills.

Join one of the clubs listed, or be an entrepreneur and start your own! For more information, call **302-856-5400**, followed by an extension listed in this brochure.

ALPHA BETA GAMMA (ABG), ETA PSI

Advisors: Leslie Vincent-Martinez, Ext. 2040
Debbie O'Donnell, Ext. 2480

ABG provides students with the opportunity to give back to the community, use and display business practices learned through educational training, develop skills of leadership and cooperation, and participate in creative activities. Membership is open to students who have completed 15 credit hours and have a 3.25 cumulative grade point average.

AUTOMOTIVE–EAST COAST PERFORMANCE CLUB (ECP)

Advisors: Mark Swarbrick, Ext. 5921; Huey West, Ext. 5922
ECP was established to promote professional development and interest in Automotive Technology. Members are involved in design and development of the automotive project cars, campus car clinics, and fund-raisers; participate in numerous automotive-related community events, such as car shows, swap meets, and performance seminars, to raise awareness of Delaware Tech's automotive program. Membership is open to all students.

CAMPUS CRUSADE FOR CHRIST (CCC)

Advisor: Lawrence Bivens, Ext. 5973
CCC is an interdenominational Christian organization designed to provide a spiritually nurturing environment for students. CCC presents worship and prayer in a group setting that offers fellowship, encouragement, and spiritual development.

CAMPUS WOMEN'S NETWORK (CWN)

Advisor: Beth Rodier
Campus Women's Network (CWN), in partnership with YWCA Delaware, is an organization designed to enrich the lives of women students at Delaware Tech, Owens Campus, by cultivating professionalism, supporting personal growth, and enhancing life experiences through community involvement and interaction. CWN is open to all students.

COLLEGIATE FFA

Advisor: Daniele Kidd, Ext. 2500
Collegiate FFA is an extension of the National FFA Organization. Since college is considered higher education, our hope is that Collegiate FFA provides a higher level of opportunity and helps to develop leadership skills for our membership. This organization is open to any student

enrolled in an Applied Agriculture Technologies program, or anyone who has an interest in supporting agriculture.

DELAWARE TECH GREEN

Advisor: Kelly Davis, Ext. 5536
Delaware Tech Green was formed in response to growing concerns for environmental issues. The mission of the group is to promote and educate about recycling, conservation, and environmental awareness. The club meets regularly to discuss current issues and plan activities that will have a positive impact on the local environment.

EDUCATION CLUB

Advisor: Linda Gregory, 855-5957 (EDC,ECE)
The Education Club is open to all students who like to work with children. Through participation in activities at the campus and community levels, members develop leadership skills, create networking opportunities, and cultivate friendships. This club is affiliated with the National Education Association and the Delaware State Education Association.

INTERNATIONAL BUSINESS TRAVEL CLUB (IBTC)

Advisor: Heather Madden, 855-1677
The purpose of the IBTC is to help promote an awareness of international business. Students are encouraged to learn about international business from special visitors and activities. The club also takes an active role in promoting study abroad trips developed by the business faculty in order to foster students' international business skills. Students seeking a basic understanding of world economies, politics, and cultures will benefit greatly from membership in this club.

INTERNATIONAL CLUB (IC)

Advisors: Susan Schranck, Ext. 5574
Allison Castellanos, Ext. 3380
The International Club, open to all students, promotes the exchange of culture, art, and language traditions. Many different cultures are represented in this diverse group which organizes campus activities, community service projects, and cultural field trips.

JAZZ BAND

Advisor: Kerri Harmon, Ext. 3620
This club brings together students who are interested in all aspects of music appreciation. Its mission is to engage students in activities related to music performance and appreciation. Students are encouraged to play, practice and perform together. The club strives to hold performances on campus and in the community for civic and community service organizations.

MEDICAL ASSISTANT LABORATORY TECHNICIAN ASSOCIATION (MALTA)

Advisors: Sherrie Shupe, Ext. 5974; Linda Collins, Ext. 1653
MALTA is open to students enrolled in the Medical Laboratory, Medical Assistant, Medical Transcription and Biotechnology programs. The club promotes professional and personal growth by encouraging camaraderie with other students in the medical and science studies as well as membership in the national organization of medical lab professionals.

NATIONAL COMMUNICATION ASSOCIATION STUDENT CLUB (NCASC)

Advisor: Jessica Farley, Ext. 5960
NCASC promotes the study, teaching, and application of the principles of communication through educational and social functions that are relevant to the field of communications. Students will use their media writing and production skills to produce commercials for a local nonprofit agency.

NEUROSCIENCE RESEARCH-DRIVEN STUDENTS

Advisors: Cindy Cunningham, Ext. 5170
William Smith, Ext. 3539

The Neuroscience Research-Driven Students (NeRDS) club is open to students who are interested in all aspects of neuroscience, including what makes you who you are, why we sleep, what determines intelligence, why pain exists, how male and female brains differ, how scientists can see and hear changes in the brain, etc. We strive to have at least two "movie nights" during which we will view major motion pictures centered on the brain and individuals with neurological disorders and other learning events. Meet new friends with similar interests while exploring this growing field.

OCCUPATIONAL THERAPY ASSISTANT CLUB (OTA)

Advisor: Nancy Broadhurst, Ext. 5533
The Occupational Therapy Assistant Club provides students in the occupational therapy program an opportunity to develop and share their knowledge of the field in the community. The club is affiliated with the American Student Committee of the Occupational Therapy Association.

OUTDOOR ADVENTURES

Advisor: Kerri Harmon, Ext. 3620
The Outdoor Adventures Club is open to all students who appreciate spending time in the great outdoors! Students who are interested in hiking, camping, skiing, water sports and other adventurous outings are encouraged to participate.

PERFORMING ART CLUB

Advisor: Dawn Follin, Ext. 3979
The Performing Arts Club brings together students who are interested in all aspects of the performing arts, including acting, dancing, music (singing/playing an instrument), stage production, lighting, set design/construction, costuming, etc. We strive to have at least two productions per year as well as theater workshops and other learning events. It's a great creative outlet and a wonderful way to network with other like-minded students.
