Course Title	Catalog Number	Section Number	Room Number	Number of Students	Contact Hours
AET-135 Construction Methods and Materials	21704	501	B234	15	4
EDD-171 Intro to CAD Using AutoCAD	21660	501	A230	16	4
EDD-271 Advanced CAD Using AutoCAD	21666	501	A230	11	4
EDD-249 Engineering Design Process	23654	501	B234	7	4
*EDD-141 Engineering Drafting and Design I	21598	550	B228	12	7

Total Number of Different Preparations **3**

Total Number of Students **49**

Total Contact Hours **16**

**Evening Courses*

Other Activities:

- Currently attending Wilmington College
- Member of CAD Advisory Committee
- Faculty Mentoring Program
- Lead CMT Advisory Committee
- Actively participating in SLOA development for CAD, CMT, and AET
- Implement Solid Works software into CAD curriculum
- Faculty Advisor for AET, CAD and CMT Engineering Clubs
- PTK Member
- Assist in Department recruitment, marketing and outreach
- Advisor for CMT and CAD students
- Training other Faculty in SolidWorks
- Facilitate TechPrep Delaware course articulation agreements
- Training other Faculty in the use of the Fused Deposition Rapid Prototype Machine and implement this machine into the program and courses.
- Identify scholarship opportunities for students
- Identify grant opportunities for Department programs
