### **Stanton Campus**

Charles W. Firth, Jr. Memorial Culinary Arts/ Food Service Management  
Technology Scholarship

The Delaware Technical & Community College Culinary Arts and Food Service Management programs' is pleased to announce awards for currently enrolled students to assist with tuition, fees and/or books to honor the memory of Charles W. Firth, Jr. the Electrical Engineering Technology Laboratory Technician who was a loyal customer in the Stanton Bistro Dining room. His patronage provided excellent learning opportunities for the CUL/FSM students.

To apply for the scholarship, the following eligibility requirements must be met and submitted by November 1<sup>st</sup> for the Spring semester.

Applicants must:

1. Complete the scholarship application.
2. Be enrolled part-time or full-time at the Stanton Campus.
3. Have successfully completed at least 12 college level credits. (100 level or above)
4. Have been enrolled in the Culinary Arts/ Food Service Management Technology program for at least one semester at the Stanton Campus.
5. Be in good academic standing with a GPA of 2.0 or better.
6. Have a letter of recommendation from a present or past employer or teacher.
7. Write an essay, 300 to 500 words, discussing the attributes of a professional chef.
8. Apply for financial aid. Note: This award is not based on financial need.

This is a two-continuous-semester award of \$200 per semester. It is to be used for tuition, fees, and/or textbooks.
