Note: The student is responsible for notifying the Academic Advisor, during the registration period prior to his/her last anticipated semester, of his/her expected readiness for graduation. The student is also responsible for notifying the Academic Advisor of any changes to his/her courses that impact graduation.

As a student, I am aware that Delaware Technical & Community College is an open admissions institution and my program requires participation in courses, internships, observations, practicums and field work. These activities may require one or more medical and/or background screenings as a condition of enrollment. The requirements for courses and/or program activities may include but not be limited to:

- immunizations and physical examinations,
- criminal history checks that may include a review of the adult abuse and child protection registries,
- drug screenings,
- and other licensing requirements.

As a student, I further understand that I may be responsible for all arrangements and costs associated with these requirements. It is my responsibility to inquire about conditions and acceptance into courses and programs that may have special requirements. I am aware that I may seek the assistance of my counselor or technical advisor in identifying conditions of enrollment in all programs and courses at Delaware Tech.

Employment after Delaware Technical & Community College

I am also aware conditions of employment are established by potential employers and not by Delaware Technical & Community College and such conditions of employment may include or exceed any or all of the above requirements.
