

# ENTREPRENEURSHIP TECHNOLOGY

*An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington University.*

## **YOUR PATH TO A BACHELOR'S DEGREE**

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

## **THE CONNECTED DEGREE 2 + 2 CURRICULUM**

Delaware Tech's associate degree program in Entrepreneurship is a unique curriculum designed by successful entrepreneurs to provide the tools needed to launch a business venture. The program offers students a solid business core with a focus on starting and managing a business. Graduates are prepared to transform their business ideas into commercial products and services. Additionally, graduates have the foundation to continue their education at the bachelor's degree level.

Wilmington University's Bachelor of Science degree program in Business Management provides courses and business-related in-class experiences for students who intend to pursue careers in business management or apply to graduate school. Course offerings emphasize rigorous analysis of the concepts and principles that are basic to an understanding of the management field. Course work relates theories and ideas to the operating practices and policies of business organizations.

## **VALUE FOR YOU**

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

## **MAKING THE CONNECTION**

Refer to the Connected Degree curriculum (on the reverse side of this page) for the sequence of courses needed to complete this program. Call Delaware Tech and let us help you follow the path to your bachelor's degree.
