

Delaware Technical and Community College Summer Camps

Behavior

Positive Environment

Delaware Technical and Community College strives to maintain a positive and safe environment for all camps. Our staff professionals will engage students in an encouraging and constructive manner. Delaware Tech employs a qualified and trained staff who will manage student behaviors to ensure a positive experience for all campers. Disruptive behavior will be diminished by:

- Using preventative management techniques
- Encouraging self-discipline
- Stressing positive behaviors and interactions
- Establishing Camp rules and guidelines

Consequences for Inappropriate Behavior

1. Student may be counseled or reprimanded
2. Student may be removed from camp for a specific period of time
3. Student may be removed from camp for a remainder of the day
4. Student may be sent home for the remainder of the day
5. Student may be removed from camp the remainder of the week
6. Student may be refused from ALL subsequent camp enrollments

Student Code of Conduct

Students will also be required to comply with the Delaware Technical and Community College Student Code of Conduct. The Board of Trustees has determined that the following student actions are unacceptable and subject to disciplinary actions:

1. Behavior which jeopardizes the property of the College, or the life and bodily safety of any other person, or member or guest of the college community.
2. Speech-oriented activities or publications, which disrupt or threaten the orderly operation of the classroom or camp.
3. Personal habits, personal appearance or behaviors, which cause distraction in, or disturbance or disruption of the orderly operation of the classroom or camp.
4. Gambling, abuse and/or possession of illegal drugs and/or alcohol, and use and/or possession of weapons or firearms.
5. Plagiarism, cheating and/or other behavior indicating academic dishonesty.
