

EARLY CHILDHOOD EDUCATION

CONNECTED DEGREE

Associate Degree to Bachelor's Degree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from the University of Delaware.

THEORY & PRACTICE...

Why wait to try your skills in the career field? Start an exciting career at Delaware Tech. At Delaware Tech you will take courses in Early Childhood which include field observations and working with children. With your Delaware Tech start and University of Delaware connection, your career and advancement can be a reality.

SERIOUS SAVINGS...

The associate-bachelor's **connected degree program** lets you get the education you need at a cost you can afford. Tax dollars at work make it possible for Delaware Tech to have the lowest tuition rate in the state of Delaware. Use what you save to pay for the bachelor's degree program.

MAKING THE CONNECTION...

This information sheet shows you the courses needed to complete your associate degree at Delaware Tech and your bachelor's degree at the University of Delaware. Call Delaware Tech or the university and let us help you plan the transition!
