

CRIMINAL JUSTICE TECHNOLOGY

Delaware Technical & Community College • www.dtcc.edu/connecteddegree

An opportunity to gain an associate degree from Delaware Tech and a bachelor's degree from Wilmington University.

YOUR PATH TO A BACHELOR'S DEGREE

Delaware Tech has established agreements with four-year colleges and universities that connect Delaware Tech associate degree programs with bachelor's degree programs to create smooth transfer opportunities for you. These Connected Degree programs enable you to complete your associate degree and then transfer to a four-year degree program as a junior.

THE CONNECTED DEGREE 2 + 2 CURRICULUM

Delaware Tech's associate degree program in Criminal Justice provides career education for employment or career advancement in public and private criminal justice organizations. Graduates are prepared to practice careers in law enforcement and related services, corrections, counseling and case management. In addition the program provides students the foundation for transfer to public and private institutions to complete the requirements for a bachelor's degree.

Wilmington University's Bachelor of Science degree program in Behavioral Science prepares students to enter and advance in careers within the human services field. Positions may be found in various settings, including community mental health centers, social agencies, business, and government. Upon completion students may continue their education at the graduate level in social work, counseling, criminology, psychology, or sociology.

VALUE FOR YOU

By completing your associate degree at Delaware Tech, you'll receive excellent instruction in small classes at a campus close to home. Delaware Tech's affordable tuition can reduce the overall cost of your college education, making the completion of your bachelor's degree more manageable.

MAKING THE CONNECTION
