Terry Campus Alumni Present Student Scholarships

DOVER- The Delaware Technical & Community College, Terry Campus Alumni Association recently awarded Alumni Scholarships to three students.

Debbie Wheeler, of Dover is a human services student at the Terry Campus. “My family has sacrificed a lot as I’ve been going to school. This will help support their needs and enable me to graduate,” she said. Ms. Wheeler plans to become a counselor for troubled youth in Dover.

Kellie Goldsborough, of Smyrna is an elementary education student at the Terry Campus. “This scholarship has been an encouragement to me. I needed this encouragement to continue because it is a challenge to balance my schoolwork, family and volunteer life,” she said. Mrs. Goldsborough plans to continue her education at a four-year school and become a third grade teacher.

Erica Seney, of Dover is a criminal justice student at the Terry Campus. “Everyone on campus has helped me reach my goals. The criminal justice instructors, the student support services and now the alumni,” she said. Ms. Seney plans to continue her education at a four-year school and eventually become a lawyer.

After presenting each student with a certificate describing their award, Gary Pippen, Terry Campus Alumni Association president, congratulated each scholarship recipient. He said he was glad to connect with current students. “This is our most valuable Alumni Association initiative,” he said.

“The Terry Campus alumni scholarship has made a positive impact on these students’ lives,” said College Vice President and Campus Director Daniel L. Simpson. “I would like to encourage alumni who aren’t presently involved to keep in touch and continue to support the campus.”
