Students Earn Certification at the Terry Campus

DOVER- Students of the Delaware Technical & Community College, Terry Campus Corporate and Community Programs recently completed Certified Nursing Assistant and Administrative Assistant certification requirements.

The Certified Nursing Assistant students successfully completed classroom training, three weeks of hands-on clinical experience and the board exams required for certification. The next cycle of Certified Nursing Assistant classes will begin Jan. 21, 2008.

Students in the Administrative Assistant certification program completed 15 weeks of classes and mastered topics such as Microsoft Word, Excel, PowerPoint, professional communications, math and more. The next cycle of classes for Administrative Assistant certification will begin Feb. 18, 2008.

According to Occupational Skills Program Acting Program Manager Maggie Jenson, graduates from each program and will seek employment in central Delaware, meeting the growing needs of qualified workers in these professions.

Both programs are sponsored by the Delaware Department of Labor and are free of charge to those who qualify. The first step for enrollment in these classes is to attend an information session at the Terry Campus Corporate Training Center on Dec. 3, 2007, at 1:30 p.m. For more information about these classes and other career training programs call 857-1400.
