**Tickets for 2008 Terry Campus Gourmet Gala on sale now**

**DOVER-** Tickets are now available for the Delaware Technical & Community College, Terry Campus 2008 Gourmet Gala fundraiser.

The event will be held on Saturday, October 18 from 6:30 pm until midnight on the Terry Campus.

The Gourmet Gala is an annual, black-tie-optional affair organized to generate funds for scholarships for students with unmet needs. During the event local restaurateurs, breweries and vintners donate samplings of their finest products. Attending donors also enjoy entertainment and dancing.

Last year the event raised over \$200,000 helping many students in the community realize their dream of attaining a college education.

As he invites guests to the upcoming fundraiser, College Vice President and Campus Director Daniel L. Simpson encourages the community to attend the special event.

“Gala donors help more students earn degrees. Those graduates will live and work locally, improving the economic atmosphere.”

Tickets are available for \$100 per person. Anyone can help by purchasing sponsorship packages or program advertising and donating to the live and silent auctions.

To buy a ticket or find out more about sponsorship, advertising or auction donations,  
please call Jan Clapp at 302-857-1125 or visit [www.dtcc.edu/terry/gala](http://www.dtcc.edu/terry/gala).
