

Supporting STEM Education in Delaware

Supporting STEM Education in Delaware

Delaware Tech is a proud supporter of Governor Markell's STEM (Science, Technology, Engineering and Mathematics) initiative to ensure Delaware's future workforce is ready to succeed.

We offer STEM programs and instruction that focuses on applications-based teaching for all ages, including:

STEM Camps: Delaware Tech offers nearly 50 youth camps serving 1,000 Delaware youth

- [Owens Campus STEM Camps](#)
- [Terry Campus STEM Camps](#)
- [Stanton and Wilmington Campus STEM Camps](#)

STEM Technical Training: Delaware Tech offers a variety of technical programs and [workforce training](#) that allow graduates to work in the field immediately upon completion

STEM Associate Degree Programs: Delaware Tech offers a variety of highly-respected STEM-related degrees, with many [programs](#) offering a [Connected Degree](#) option to enter a senior institution as a college junior.

Science Programs of Study:

- [Chemistry](#)
- [Food Safety](#)
- [Exercise Science](#)
- [Chemistry Education](#)
- [Physics Education](#)

Technology Programs of Study:

- [Biology](#)
- [Chemical Processor](#)
- [Computer Aided Drafting Design Technology](#)
- [Computer Information Systems](#)
- [Construction Management](#)

- [Fire Protection](#)
- [Information Security](#)
- [Operations Management](#)
- [Web Development](#)

Engineering Programs of Study:

- [Architecture Engineering Technology](#)
- [Civil Engineering Technology](#)
- [Computer Engineering Technology Option](#)
- [Computer Network Engineering Technology](#)
- [Electronics Engineering Technology](#)
- [Electronics Engineering Technology Instrumentation Option](#)
- [Electro-Mechanical Engineering Technology](#)
- [Energy Management](#)
- [Environmental Engineering Technology](#)
- [Mechanical Design Engineering Technology](#)
- [Mechanical Engineering Technology](#)
- [Surveying & Geomatics Engineering Technology](#)

Mathematics Programs of Study:

- [Math Secondary Education](#)
- [Middle Level Education](#)
