

# Admissions

## 5 steps for admission to our credit course programs

Delaware Technical Community College has an open-door admissions policy limited only by the following criteria: a student must be a high school graduate or the equivalent, or at least eighteen years of age and able to benefit from instruction.

### STEP 1

#### Submit an Application to the College with a non-refundable application fee payment:

- For fast, easy admission into Delaware Tech [apply online](#).
- You may also apply by downloading a [paper application](#) that can be mailed or submitted to any Campus Admissions Office.
- Review details about the College's [admissions policy and procedures](#).

### STEP 2

#### Plan Your Educational Financing (if needed):

- Federal financial aid. Visit [www.fafsa.ed.gov](http://www.fafsa.ed.gov)
- State of Delaware [SEED scholarship](#).
- For other scholarship information visit [www.fastweb.com](http://www.fastweb.com)
- Visit our Financial Aid Office or get more information [online](#).

### STEP 3

#### Show College Readiness in One of Four Ways:

1. Take the Accuplacer test in the following subject areas: \_\_\_Writing \_\_\_Reading \_\_\_Math
  - Learn more about [Admission Placement Testing](#).
  - [Walk-in and/or scheduled testing](#) is available.
2. Provide a copy of your SAT test scores.
3. Provide an official college transcript.
4. Provide documentation of any combination of these methods.

#### All documentation of college readiness must be submitted to the Campus Admissions Office.

Learn more about [college readiness and developmental education](#).

### STEP 4

#### Provide Proof of Delaware Residency (if applicable).

- Present your Delaware driver's license or State I.D.
- For additional proof of residency options please visit the [College Catalog residency policy](#).

### STEP 5

#### Begin planning your education and enroll in courses at the [Advisement Center](#) or schedule a meeting with your assigned Program Advisor.

#### APPLY ONLINE
