

Athletics

The mission of the Delaware Tech Athletic Department is to provide a comprehensive support program for all student-athletes that promotes academic success, a positive athletic experience, and overall personal growth. The staff is committed to working closely with coaches, faculty, and Student Affairs to help student-athletes balance the demands of their academic responsibilities and athletic endeavors.

- The ultimate goal of the Athletic Department is that every student-athlete entering the College continually strives toward the completion of degree requirements and graduation.
- The Athletic Department operates under the guidance of the Dean of Student Affairs and follows all bylaws and regulations established by the [National Junior College Athletic Association](#) [1] and [Region XIX](#) [2], which includes schools in New Jersey, Southeastern Pennsylvania, and Delaware. Students interested in athletic participation must meet NJCAA eligibility requirements.
- The Athletic Department offers equitable opportunities for both men and women and complies with the spirit and intent of Title IX and gender equity guidelines.
- The Athletic Department promotes and encourages community service and outreach as a valuable endeavor for student-athletes.
