

## Automotive Technology

### Commercial Transportation Studies

OWENS CAMPUS

Spring 2019

*The curriculum is designed to provide the student with operating skills and practical knowledge of tractor trailer driving with emphasis on business skills needed in the transportation industry. It will prepare the student for entry-level employment as a CDL "A" licensed commercial vehicle driver/operator. Students spend their day in a combination of classroom, range practice, and road training in order to develop safe skills of operation and mechanical familiarization of the equipment. Employment opportunities can be found in either local or long-distance areas of the transportation industry.*

#### PROGRAM SPECIFIC ADVISEMENT STATEMENT

##### Courses - Semester 1

	Credits	Lecture	Lab

#### Approved Electives

Select one elective to take in the first semester.

Group	Courses	Credits	Lecture	Lab
A	<a href="#">BUS 101 - Introduction to Business</a>	3	3	0
A	<a href="#">ECO 111 - Macroeconomics</a>	3	3	0
A	<a href="#">ENT 101 - Intro to Entrepreneurship</a>	3	3	0

*To complete program requirements, you must pass the above courses and earn at least **33 credits**. The number of courses and credits required for graduation may be more depending on your need for developmental education courses and the elective choices you make (if electives are a part of the program). Some programs also have college-level courses that you must take if you do not score at a certain level on the College Placement Test. If this applies to your program, the courses are listed at the top of the sequence sheet before the first semester of the course list.*
