

Business

Business Administration Transfer Option

WILMINGTON CAMPUS

Fall 2021

The Business Administration Transfer option enables graduates to transfer to four year business programs accredited by the Association to Advance Collegiate Schools of Business (AACSB). The option combines studies in non-business and business courses that will best match students' individual education goals. This option will give graduates the flexibility to transfer to institutions of higher learning.

B	CHM 110 - General Chemistry	4	3	2
B	ENV 190 - Intro to Env't Science & Tech	3	3	0
B	PHY 111 - Conceptual Physics	4	3	2

*To complete program requirements, you must pass the above courses and earn at least **68 credits**. The number of courses and credits required for graduation may be more depending on your need for developmental education courses and the elective choices you make (if electives are a part of the program). Some programs also have college-level courses that you must take if you do not score at a certain level on the College Placement Test. If this applies to your program, the courses are listed at the top of the sequence sheet before the first semester of the course list.*
