Design for Manufacturing Approach
Made2Manage MRP Software
• Amada Coma 55 Tom CNC Punch Presses
• Amada 80 & 450 Ton CNC Press Brakes
• RAS 14' CNC Folder
• Koike CNC Plasma Cutter
• Fryer & Milltronic CNC Mills
• CNC Lathe
• Bliss 250 ton OBI Stamping Press
• Roundo 10' Plate Roll
• Accushear 12' Plate Shear
• ABB Robotic Welder w/ Fanuc Controller
Manufacturing

- Trumpf 4000 Watt CNC Laser w/Rotolas
  * Laser Precision in 3 Dimensions
- Trumpf 4000 Watt CNC Laser L3030
- Trumpf CNC Laser L2030
Our Idea:

Build a Community of Businesses Around Competencies

• Allows Each Business to Focus on Their Strengths
• A Prospect for One Could be an Opportunity for Several
• Collaborative Efforts Produce Stronger Products
• Shared Resources Reduce Operating Costs
• All Businesses have an Interest in the Success of their Neighbors
Living Example

General Business Competencies
