Understanding Your ATI TEAS® Score

The total score will be used as part of the ranking process for applicants, and a minimum of 58.7% total score is required to apply for clinical nursing courses. This score will be included on your Student Education Plan under “View All Test Scores” in the Learning Management System (LMS) online. The Campus admissions office will enter this score into the LMS system.

If you need assistance in finding or interpreting your score, please contact Mary Bailey at 302-259-6635 or Velma Norwood at 302-259-6650.

Your ATI TEAS® score must be no more than three years old at the time of application to the nursing program. In addition, NLN PAX scores will be accepted until August 15, 2020 if they are less than three years old. Your highest score will be used for ranking.
