

**June 11 - August 10**

**CAMPS 2018**

**Ages 5 - 15**

**DELAWARE TECH**

**Dover Campus**

*Spring Break Camp Details Inside*

# About Us

Delaware Technical Community College, through the division of Workforce Development and Community Education, offers a variety of pre-college activities. College staff provide **mentoring, education, enrichment** and **motivation** to Delaware's youth. Exceptional programs are developed and delivered to empower and guide youth as they reach personal goals and achieve academic and professional success. In-school, after-school and summer programs are offered at the Dover Campus.

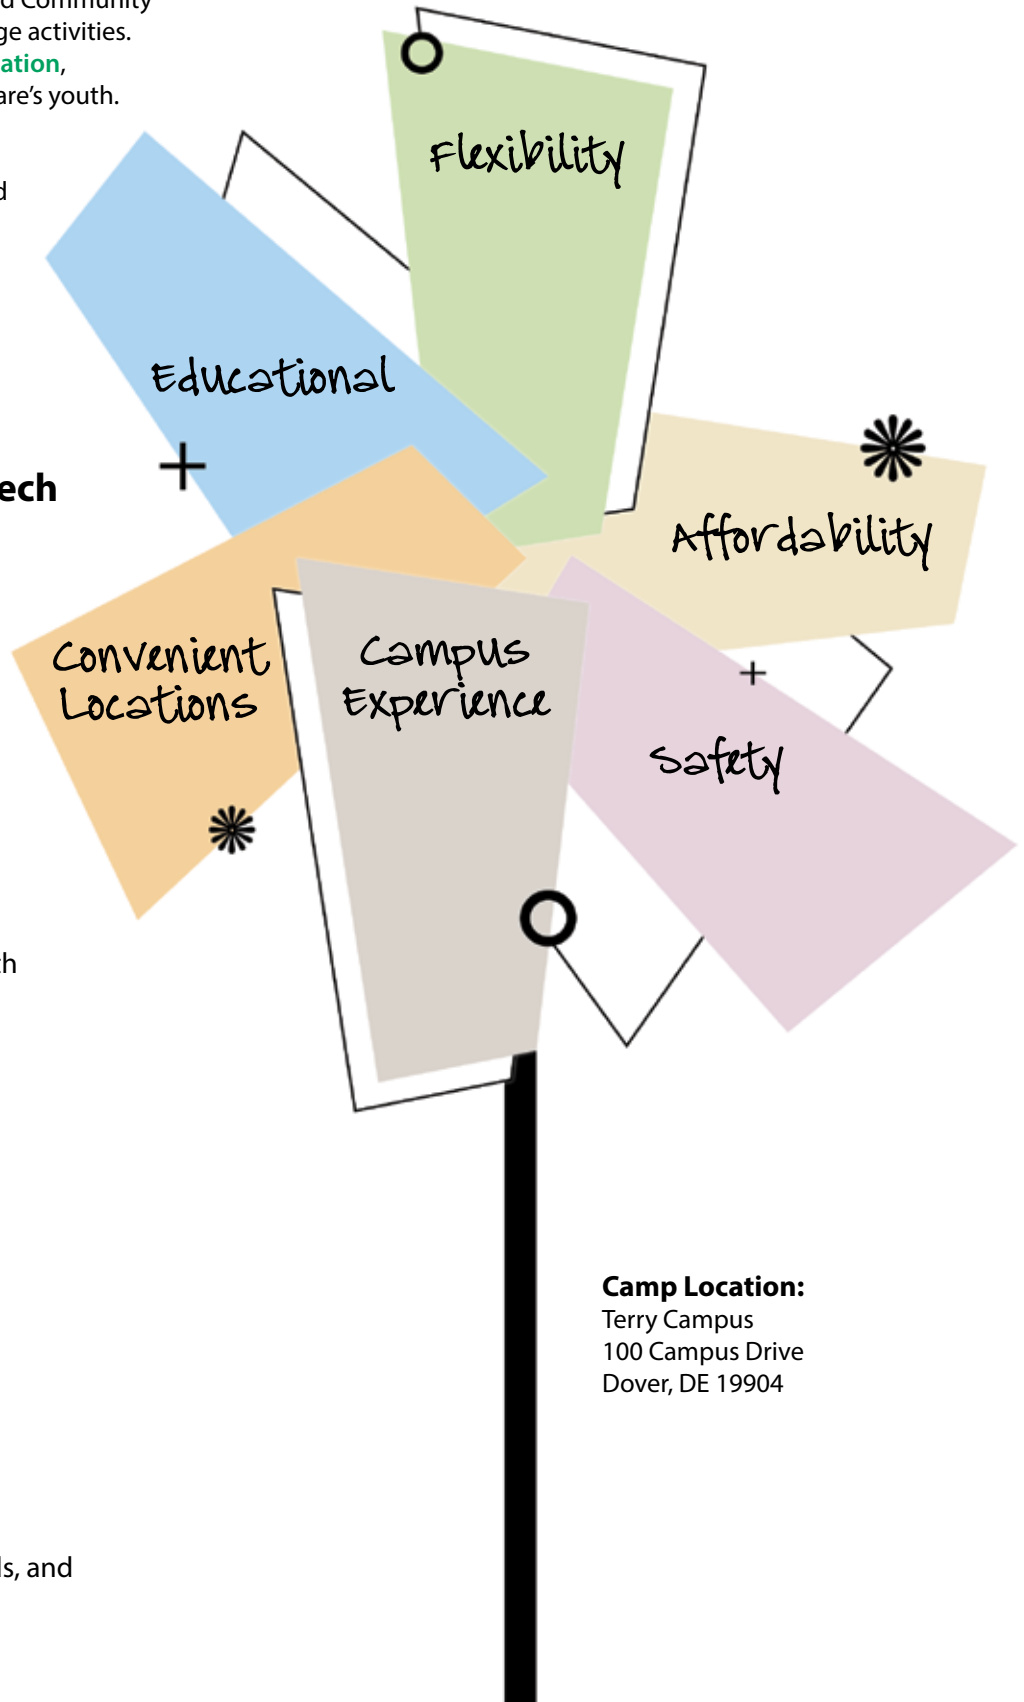

## Why Choose Delaware Tech Summer Camps?

Discover your options:

- **Camp-On-Campus**  
Engage in a variety of FUN activities while experiencing the college environment
- **STEM Camps**  
Exposure to in-demand science, technology, engineering and math skills while having FUN

### All Camps:

- Staffed by FUN ambassadors and experienced educators.
- Learn new skills, make new friends, and have FUN in a safe environment!

### Camp Location:

Terry Campus  
100 Campus Drive  
Dover, DE 19904

# General Information

## Camp Hours:

- Camp is daily from 9 am-4 pm
- Extended Camp hours are from 7:30-9am and 4-5:30 pm

## Enrollment:

- Registration is limited and is on a first-come, first-served basis
- Pre-registration is required for all camps
- Flexible registration - 1 week or 9 weeks

## Required Documentation:

- Immunizations prior to start of camp.  
Email to [terry-workforcedevelopment@dtcc.edu](mailto:terry-workforcedevelopment@dtcc.edu) or mail:  
Delaware Tech, Terry Campus,  
Attn: Workforce Development - Summer Camps  
100 Campus Drive,  
Dover, DE 19904

## How to Reach Us:

Phone: 302.857.1400  
Fax: 302.857.1450  
Email: [terry-workforcedevelopment@dtcc.edu](mailto:terry-workforcedevelopment@dtcc.edu)  
Website: [go.dtcc.edu/TerryCamps](http://go.dtcc.edu/TerryCamps)

## Public Safety:

Terry Campus - 302.857.1110

## Safety and Discipline

Please review the Parent/Camper Handbook (located at [go.dtcc.edu/TerryCamps](http://go.dtcc.edu/TerryCamps)) with your child prior to his/her first day of camp. Campers will be notified of the safety rules on the first day of camp. Campers will be reminded to make safe choices when necessary, and will be responsible for the decisions they make. Please do not send a sick child to camp. Discipline problems will be handled in the following manner (refer to the Camper Handbook for details):

1. Individual behavior problems will be handled by all counselors.
  2. If problems persist, the camper will be referred to a camp manager and the parents will be notified.
  3. If problem continues to exist, the camper will be dismissed from camp and will not be permitted to return.
- Refunds will not be granted if campers are dismissed from camp. Automatic dismissal from camp may occur at the camp manager's discretion.

## Sign In/Sign Out

### Sign In Time:

- 7:30 am for Extended Camp only
- 8:45 am without Extended Camp
- 9 am or later. Please check in at the Camp Office (ETB Room 721)

### Sign Out Time:

- 4-5:30 pm for Extended Camp only
- 4 pm without Extended Camp
- Any camper, not registered for Extended Camp, arriving before 8:45 am and/or not picked up by 4 pm will be assigned to our Extended camp program for the week. **Extended Camp tuition of \$35/child will be due at the time of drop-off and/or pick-up.**
- ID will be checked before a camper is released.
- Parents, please list all authorized pick-up persons on your registration forms!
- Campers must be escorted by parents or guardians into the main lobby to be signed in and out daily.

ENU 151 630 6/11 - 7/30 6-8:30pm  
**8 week session - ONLY \$225**

Be stronger and injury free for your 2018 Fall Cross Country season. Join Delaware Tech coaches of the Nationally Ranked NJCAA team for training in all mental and physical aspects of running and racing. Training locations will vary to experience different courses such as Killens Pond, Blackbird Park, Schutte Park, and Brecknock Park. Camp will meet Monday and Thursday from 6pm-8:30pm during Weeks 1-7. Week 8 will meet Monday through Friday from 6pm-8:30pm. T-shirt and race entry are included in the fee.

# Spring Break Camp

**April 2 - April 6, 2018**

**9am - 4pm M-F • \$190**

Ages 6 to 12 years old.

Enjoy camp even if you can't attend all week, there is a daily rate of \$55 per day!

For many working parents, spring break means finding an enriching camp to keep the kids occupied during business hours. We've got the lowdown on the best spring break camps in town. Campers will spend their day expanding their minds during one of our many STEM activities either in the classroom or on a daily field trip.

*Please bring a sack lunch, two snacks, water, and sunblock to camp daily.*

**Call 302-857-1400**

**for more information.**

***Scholarships Available for Military Families!***

 **DELAWARE TECH** | Terry Campus

In support of Delaware's STEM (Science, Technology, Engineering, and Mathematics) initiative, Delaware Technical Community College offers STEM camps. The Delaware STEM

Council was formed in 2010 to ensure Delaware's children graduate more ready to succeed in the high-wage jobs of tomorrow. The camps are designed to make learning fun and exciting and to encourage students to explore careers in science, technology, engineering, and mathematics.

The College is involved in a number of efforts to improve STEM education through academic programs and connected degree agreements with the University of Delaware and Delaware State University. A strong STEM workforce helps Delaware employers continue to be national leaders in the innovation economy, seek out employees who can strengthen their research and development, make their workplaces more efficient, and ensure their business practices are more environmentally sensitive.

# Dover Campus K-2nd

## WEEK 1 • 6/11-6/15

### **STEM: Shoebox Math (9am - Noon)**

Summer Brain Drain? Not with this camp! Skill-building games and activities help kids practice and master must-know math concepts.

### **Camp-on-Campus: Artful Antics (1 - 4pm)**

Explore different mixed media, while studying famous artists such as VanGogh, Picasso, and Pollock. Featured mediums include: construction and tissue paper, lead and colored pencils, watercolors, markers and acrylics.

## WEEK 2 • 6/18-6/22

### **STEM: Shoebox Science (9am - Noon)**

Skill-building games and activities help kids practice and master concepts related to key science topics: the five senses, animal babies. Meets Common Core State Standards for life cycles, seeds and plants, light and color, health and safety, sound, and more.

### **Camp-on-Campus: Fitness Infusion (1 - 4pm)**

Fitness Infusion is a health and nutrition camp where campers will participate in a variety of sports activities and games. We will use the Wellness Center as well as the Internet to emphasize the importance of physical fitness and discuss healthy eating.

## WEEK 3 • 6/25-6/29

### **STEM: Coding for Kids I (9am - Noon)**

Computer Science is currently one of the fastest growing industries. This program will introduce kids to the basics of computer coding. Through hands-on and computer activities students will learn vocabulary, build background, and begin to write lines of programming code!

### **Camp-on-Campus: Volunteers R Us (1 - 4pm)**

Many young people have a natural desire to make a positive difference. This camp's activities will focus on the compassion, understanding and counseling necessary to help others who are in need. Participants explore ways to overcome obstacles that may face them, their loved ones, or society in general.

## WEEK 4 • 7/2-7/6 - No camp 7/4

### **STEM: Train to be an Astronaut (9am - Noon)**

You'll have to study hard and maintain optimum health if you want to be one of the few people to experience the thrill of liftoff, see the Earth from on high and float in a spacecraft. Discover the path to one of the most desired careers in the world as you train to be an astronaut!

### **Camp-on-Campus: May the 4th be with You (1 - 4pm)**

Are you part of the First Order or the Resistance? Choose your side in this epic battle before training in the academy. Learn to be the best you can be before joining forces with Finn, Rey, and Kylo Ren. Whichever side you choose you'll need to learn to work as a team to achieve success.

## Extended Camp \$35/week

7:30-9 am and 4-5:30 pm

Delaware Tech's Extended Camp Program at the Dover campus includes games, activities, and much more! Extended hours start at 7:30 am and end at 5:30 pm. Cost: \$35 per week.

## WEEK 5 • 7/9-7/13

### STEM: Mythbusters, Jr. (9am - Noon)

Join us for a week of experimentation as we use science to determine the truth behind some myths and mysteries. Just like the show... what's real and what's not? Combine the fun of science with the excitement of television production as we bust or confirm myths!

### Camp-on-Campus: Around the World (1 - 4pm)

When you enter the room for this class you'll feel like you have traveled to another country. Each day you'll explore a different country to learn about various cultures, traditions, and customs. This camp includes games and crafts that are related to the country or region being explored.

## WEEK 6 • 7/16-7/20

### STEM: Coding for Kids II (9am - Noon)

Computer Science is currently one of the fastest growing industries. This program will build on the skills campers learned in Coding for Kids I. Through hands-on and computer activities students will learn even more vocabulary, build background, and finesse their skill in writing lines of programming code!

### Camp-on-Campus: Survivor (1 - 4pm)

Do you have what it takes to outwit, outplay, and outlast your opponent? Campers will form tribes and compete in scavenger hunts, obstacle courses, mental challenges, and other games. Learn teamwork and good sportsmanship skills. Campers should come dressed for the outdoors in clothes that can get dirty/wet.

## WEEK 7 • 7/23-7/27

### STEM: Brick-ology (9am - 4pm)

Are you a Master Builder? This hands-on camp will incorporate play with science, technology, engineering, art and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads and other building materials to develop an appreciation for STEM learning.

## WEEK 8 • 7/30-8/3

### STEM: Cool Math4Kids (9am - Noon)

Do you enjoy solving math problems? Are you looking to strengthen or advance your math skills? Do you want to have fun this summer but still be prepared for school next year? Then Cool Math4Kids is the right camp for you! Cool Math4Kids is an interactive math site that provides students with activities and online math games to enhance their math skills while playing games. Kids won't even know they are doing math!

### Camp-on-Campus: SUPERFood for SUPERHeros (1 - 4pm)

Leaping from tall buildings in a single bound, flying faster than a speeding bullet, and being more powerful than a locomotive takes a lot of fuel. Learn about SUPERfoods and their SUPERpowers. SUPERfoods offer super health protection and they taste good!

## WEEK 9 • 8/6-8/10

### STEM: Storybook Science (9am - Noon)

Storybook characters are always getting into messes and they need our help! Jack climbed a beanstalk now he can't get down, the Three Little Pigs need to learn to build a sound structure, Humpty Dumpty fell off a wall (AGAIN!). Through experiments, STEM challenges, and crafts we help our favorite characters solve their problems.

### Camp-on-Campus: The Art of Mindfulness (1 - 4pm)

Summer is almost over and it's back to school! Create unique projects that will help you improve your focus and sense of calm through art. Learn mindfulness techniques that will help you with every day issues like attention span, stress, anxiety, and focus. Be prepared to take on a new school year with a positive attitude.

# Dover Campus 3rd-5th

## WEEK 1 • 6/11-6/15

### **STEM: Minecraft (9am - Noon)**

Use the ever popular Minecraft video game to build worlds, solve puzzles, and create together. Each day will hold specific goals and challenges to be taken on individually and as a group. Newcomers and experienced players are invited to explore, learn, problem solve, and create amazing and unique worlds together.

### **Camp-on-Campus: Artful Antics (1 - 4pm)**

Explore different mixed media while studying famous artists such as VanGogh, Picasso, and Pollock. Featured mediums include: construction and tissue paper, lead and colored pencils, watercolors, markers and acrylics.

## WEEK 2 • 6/18-6/22

### **STEM: Mythbusters (9am - Noon)**

Join us for a week of experimentation as we use science to determine the truth behind some myths and mysteries. Just like the show... what's real and what's not? Combine the fun of science with the excitement of television production as we bust or confirm myths!

### **Camp-on-Campus: Fitness Infusion (1 - 4pm)**

Fitness Infusion is a health and nutrition camp where campers will participate in a variety of sports activities and games. We will use the Wellness Center as well as the Internet to emphasize the importance of physical fitness and discuss healthy eating.

### *Extended Camp \$35/week*

7:30-9 am and 4-5:30 pm

Delaware Tech's Extended Camp Program at the Dover campus includes games, activities, and much more! Extended hours start at 7:30 am and end at 5:30 pm. Cost: \$35 per week.

## WEEK 3 • 6/25-6/29

### **STEM: Brick-ology (9am - 4pm)**

Are you a Master Builder? This hands-on camp will incorporate play with science, technology, engineering, art and math with LEGO Bricks. Each day will start with a new activity for the entire group, then each child will have an opportunity to build, play, and create on their own. Campers will utilize bricks, perler beads and other building materials to develop an appreciation for STEM learning.

## WEEK 4 • 7/2-7/6 - No camp 7/4

### **STEM: Code + Drone = FLY (9am - Noon)**

Meet CoDrone - the drone that teaches you how to code. Discover programming and engineering as this camp teaches you to fly a drone through Arduino based coding. At the end of the week students will be able to make the drone fly autonomously and do various missions. Come learn the latest and greatest in educational drone work. Please note that campers work in pairs or teams and share computers. This allows for a more collaborate process, plus it's more FUN!

### **Camp-on-Campus: May the 4th be with You (1 - 4pm)**

Are you part of the First Order or the Resistance? Choose your side in this epic battle before training in the academy. Learn to be the best you can be before joining forces with Finn, Rey, and Kylo Ren. Whichever side you choose you'll need to learn to work as a team to achieve success.

## WEEK 5 • 7/9-7/13

### **STEM: Robo Camp (9am - 4pm)**

Discover the important fields of robotics, engineering, and manufacturing while using your imagination to complete this innovative project. Campers work in small teams to design, program, build and test robots using the LEGO Mindstorms® kits.

# Dover Campus 3rd-5th

## WEEK 6 • 7/16-7/20

### STEM: Minecraft (9am - Noon)

Use the ever popular Minecraft video game to build worlds, solve puzzles, and create together. Each day will hold specific goals and challenges to be taken on individually and as a group. Newcomers and experienced players are invited to explore, learn, problem solve, and create amazing and unique worlds together.

### Camp-on-Campus: Survivor (1 - 4pm)

Do you have what it takes to outwit, outplay, and outlast your opponent? Campers will form tribes and compete in scavenger hunts, obstacle courses, mental challenges, and other games. Learn teamwork and good sportsmanship skills. Campers should come dressed for the outdoors in clothes that can get dirty/wet.

## WEEK 7 • 7/23-7/27

### STEM: CSI, Delaware Tech (9am - Noon)

Based on the TV show, CSI is a science-based camp that will look at using science to solve crimes. Campers will look at fingerprinting, footprints, teamwork, collecting evidence from a crime scene, and how to use evidence to solve a crime.

### Camp-On-Campus: Zombie Apocalypse (1 - 4pm)

Would you be prepared for the world to change in the blink of an eye? What would you do if a Zombie Apocalypse struck overnight? No cell phones, no electricity, no internet! Learn the emergency skills to be the leader of your group.

## WEEK 8 • 7/30-8/3

### STEM: Mythbusters (9am - Noon)

Join us for a week of experimentation as we use science to determine the truth behind some myths and mysteries. Just like the show... what's real and what's not? Combine the fun of science with the excitement of television production as we bust or confirm myths!

### Camp-on-Campus: SUPERFood for SUPERHeros (1 - 4pm)

Leaping from tall buildings in a single bound, flying faster than a speeding bullet, and being more powerful than a locomotive takes a lot of fuel. Learn about SUPERfoods and their SUPERpowers. SUPERfoods offer super health protection and they taste good!

## WEEK 9 • 8/6-8/10

### STEM: Code + Drone = FLY (9am - Noon)

Meet CoDrone - the drone that teaches you how to code. Discover programming and engineering as this camp teaches you to fly a drone through Arduino based coding. At the end of the week students will be able to make the drone fly autonomously and do various missions. Come learn the latest and greatest in educational drone work. Please note that campers work in pairs or teams and share computers. This allows for a more collaborate process, plus it's more FUN!

### Camp-on-Campus: The Art of Mindfulness (1 - 4pm)

Summer is almost over and it's back to school! Create unique projects that will help you improve your focus and sense of calm through art. Learn mindfulness techniques that will help you with every day issues like attention span, stress, anxiety, and focus. Be prepared to take on a new school year with a positive attitude.

# Dover Campus 6th-8th

## WEEK 1 • 6/11-6/15

### **STEM: Minute to Win It (9am - Noon)**

Based on the popular NBC game show "Minute To Win It," this camp is packed with fast-paced, fast-action building and good old-fashioned friendly competition. 60-seconds on the clock. Think you can do it? You've got a minute to complete the crazy challenges using every day household items! Each day offers new models and challenges as teams compete for the title of "Minute to Win It" Champions!

### **Camp-on-Campus: Artful Antics (1 - 4pm)**

Explore different mixed media while studying famous artists such as VanGogh, Picasso, and Pollock. Featured mediums include: construction and tissue paper, lead and colored pencils, watercolors, markers and acrylics.

## WEEK 2 • 6/18-6/22

### **STEM: Junk Structures (9am - Noon)**

Campers have fun as they work in groups to plan and build structures using recyclable materials. In addition to gaining experience with science concepts, this activity teaches interpersonal skills: presenting ideas, negotiating with other students, and organizing, skills that will serve them well in the future work force. Group leaders play an important role in helping students listen to and respect each other's ideas, and function together as a group.

### **Camp-on-Campus: Fitness Infusion (1 - 4pm)**

Fitness Infusion is a health and nutrition camp where campers will participate in a variety of sports activities and games. We will use the Wellness Center as well as the Internet to emphasize the importance of physical fitness and discuss healthy eating.

## WEEK 3 • 6/25-6/29

### **STEM: Become a YouTube Sensation (9am - Noon)**

Do you enjoy YouTube videos? Have you always wanted your own YouTube channel? Learn how to set up a channel, proper lighting, creating channel art, filming and recording audio, and more!

### **Camp-on-Campus: Volunteers R Us (1 - 4pm)**

Many young people have a natural desire to make a positive difference. This camp's activities will focus on the compassion, understanding and counseling necessary to help others who are in need. Participants explore ways to overcome obstacles that may face them, their loved ones, or society in general.

## WEEK 4 • 7/2-7/6 - No camp 7/4

### **STEM: Revive DJ Camp (9am - Noon)**

Turn your curiosities and dreams of learning to DJ into reality during an action-packed week at summer camp! If you love music and technology, this is the camp for you! Learn the fundamentals of mixing songs, scratching sounds, and DJ music theory.

### **Camp-on-Campus: May the 4th be with You (1 - 4pm)**

Are you part of the First Order or the Resistance? Choose your side in this epic battle before training in the academy. Learn to be the best you can be before joining forces with Finn, Rey, and Kylo Ren. Whichever side you choose you'll need to learn to work as a team to achieve success.

## WEEK 5 • 7/9-7/13

### **STEM: Minecraft (9am - Noon)**

Use the ever popular Minecraft video game to build worlds, solve puzzles, and create together. Each day will hold specific goals and challenges to be taken on individually and as a group. Newcomers and experienced players are invited to explore, learn, problem solve, and create amazing and unique worlds together.

**WEEK 5 • 7/9-7/13 Camp-on-Campus: Around the World (1 - 4pm)**

When you enter the room for this class you'll feel like you have traveled to another country. Each day you'll explore a different country to learn about various cultures, traditions, and customs. This camp includes games and crafts that are related to the country or region being explored.

**WEEK 6 • 7/16-7/20**

**STEM: Programming & More with Raspberry Pi (9am - Noon)**

Raspberry Pi - a single board computer that's the size of a credit card! This capable little computer can be utilized the same way as your PC: creating spreadsheets, word processing, playing games, and watching high definition videos. Build your own and take it home at the end of the week.

**Camp-on-Campus: Survivor (1 - 4pm)**

Do you have what it takes to outwit, outplay, and outlast your opponent? Campers will form tribes and compete in scavenger hunts, obstacle courses, mental challenges, and other games. Learn teamwork and good sportsmanship skills. Campers should come dressed for the outdoors in clothes that can get dirty/wet.

**WEEK 7 • 7/23-7/27**

**STEM: Cyber Defenders (9am - Noon)**

Security professionals are more crucial now than ever before as cyber attacks are now occurring at an ever-increasing rate. Learn how hackers break into computer systems around the world while developing the skills required to protect yourself and others on the Internet.

**Camp-On-Campus: Zombie Apocalypse (1 - 4pm)**

Would you be prepared for the world to change in the blink of an eye? What would you do if a Zombie Apocalypse struck overnight? No cell phones, no electricity, no internet! Learn the emergency skills to be the leader of your group.

**WEEK 8 • 7/30-8/3**

**STEM: Robo Camp (9am - 4pm)**

Discover the important fields of robotics, engineering, and manufacturing while using your imagination to complete this innovative project. Campers work in small teams to design, program, build and test robots using the LEGO Mindstorms® kits.

**WEEK 9 • 8/6-8/10**

**STEM: Digital Photography (9am - Noon)**

Learn the basics of digital photography. The camp is divided into two parts. Students will first learn basic camera operation, depth of field and other principles of photography. The second part focuses on digital imaging, manipulation, and image correction techniques. Campers MUST bring their own digital camera, USB cable for downloading images, and battery charger. Each camper will present a "slide show" of their work at the end of the week.

**Camp-on-Campus: The Art of Mindfulness (1 - 4pm)**

Summer is almost over and it's back to school! Create unique projects that will help you improve your focus and sense of calm through art. Learn mindfulness techniques that will help you with every day issues like attention span, stress, anxiety, and focus. Be prepared to take on a new school year with a positive attitude.

**Extended Camp \$35/week**

7:30-9 am and 4-5:30 pm

Delaware Tech's Extended Camp Program at the Dover campus includes games, activities, and much more! Extended hours start at 7:30 am and end at 5:30 pm. Cost: \$35 per week.

# Registration

## Five Easy Ways to Register:

1. Online: [go.dtcc.edu/TerryCamps](http://go.dtcc.edu/TerryCamps)
2. By phone: 302.857.1400
3. By mail:  
Delaware Tech, Terry Campus,  
Attn: Workforce Development - Summer Camps  
100 Campus Drive,  
Dover, DE 19904
4. By fax: 302.857.1450
5. By email: [terry-workforcedevelopment@dtcc.edu](mailto:terry-workforcedevelopment@dtcc.edu)

## Payment Options:

- Check made payable to DTCC may be submitted in person
- Cash may be submitted in person
- Credit Card: VISA, Master Card or Discover

Note: Spaces will not be held without payment. The \$25 non-refundable deposit is applied to the balance. This is not an extra fee.

## An Equal Opportunity Institution

It is the policy of the College that no person shall, on the basis of race, color, creed, sex, national origin, age, disability, sexual orientation (defined exclusively as heterosexuality, homosexuality, or bisexuality), or genetic information be subjected to any discrimination prohibited by the Civil Rights Act of 1964, as amended; the Age Discrimination in Employment Act, as amended; Americans with Disabilities Act, as amended; Section 504 of the Rehabilitation Act of 1973; Title IX of the Educational Amendments of 1972; the Genetic Information Nondiscrimination Act of 2008 and other applicable laws, regulations and Executive Orders. This policy applies to recruitment, employment and subsequent placement, training, promotion, compensation, continuation, probation, discharge and other terms and conditions of employment over which the College has jurisdiction as well as to all educational programs and activities. The College has designated a Civil Rights Coordinator, who serves as the College's Title IX Coordinator and the College's ADA/Section 504 Coordinator, to carry out its commitment to equal opportunity and nondiscrimination. Inquiries or complaints by students or employees regarding the College's nondiscrimination policies may be addressed to: Christina M. Garcia, Civil Rights & Title IX Coordinator, Office of the President, 100 Campus Drive, Dover, DE 19904, (302) 857-1903 [civilrights@dtcc.edu](mailto:civilrights@dtcc.edu).

# FAQs

## Will my child go on a field trip?

Some camps include field trips and are detailed in the camp descriptions.

## When should I register for camp?

Registration begins Feb 15th with final payment required by **4:30 pm 10 days prior to each week's camp start date**. Registration is on a first-come, first-served basis.

## Do I need to make a deposit to register?

Yes, a **non-refundable deposit of \$25** per child, per camp is due with your application. Pre-registration is required. The \$25 is applied to your balance.

## Will meals be provided?

**Yes.** Delaware Tech will be participating in the USDA Summer Food Service Program. Lunch will be provided for all campers. Vending machine purchases will not be allowed. Nor will students be allowed to eat or drink in the classrooms. Our cafeteria and outside patio will be the only locations where food is permitted.

## Are camp scholarships available?

Scholarships are available for the 2018 Summer Camps with an approved application. Please call (302) 857-1400 for information and availability.

## Does the camp program offer extended camp?

**Yes**, the extended camp program begins at 7:30 am and ends at 5:30 pm. The fee is \$35 per week. Campus closes at 5 pm on Friday.

## Will I be able to bring my own equipment?

The camp will provide all the equipment you will need unless specified. Please do not bring your personal equipment, electronic devices or cell phones to camp.

## How should I dress for camp?

Come dressed to participate in athletic and artistic activities. Wear sneakers, not flip-flops.

## Who works on the camp staff?

Our staff is comprised of teachers, counselors and college students from the local area.

## What is the counselor/camper ratio?

We follow State guidelines for counselor/camper ratio. Therefore, 9- to 12-year-olds will have a 1:10 ratio; 7- to 8-year-olds will have a 1:9 ratio; and 5- to 6-year-olds will have a 1:5 ratio.

## What if the camp I want is full?

Your name will be placed on our waiting list. You will be notified no later than the Thursday before the camp begins if a spot becomes available.

## What if my camp is canceled?

If enrollment is below the minimum, camps will be canceled. However, your child will be offered to be enrolled in an alternate camp.

# 2018 Camp Registration Form

## Camp Authorization Form

**Camper's Name:** \_\_\_\_\_

Due to state of Delaware Public Health requirements, we are mandated to have on file current immunization records for all campers attending our camp. You must provide a photocopy of your child's immunization record that indicates they are up to date on the following immunizations:

- **Diphtheria • Rubella • Measles • Tetanus • Mumps**

(Please print) I, \_\_\_\_\_ hereby give my consent to Delaware Technical Community College, who will be caring for my child, to arrange for emergency/medical/surgical/dental care and treatment (including diagnostic procedures) necessary to preserve the health of my child. I acknowledge that I am responsible for all reasonable charges in connection with any care and treatment rendered.

### Medical Instructions

If it is necessary for your child to receive medication during camp, please do the following:

1. You **MUST** have a Pre-Camp meeting with Camp Management to discuss any maintenance drugs that are to be administered during camp. These meetings are not required for a child who will be receiving medication for a one time ailment (i.e. ear infection, sinus infection).
2. Send medication in the original container (as dispensed by pharmacy with date) properly labeled with the following information:
  - Correct name of individual receiving medication
  - Time medication is to be taken
  - Amount of dosage individual is to receive

### Authorization for Camp(s) and Extended Camp

- I understand that Delaware Technical Community College will not assume responsibility for accidents and/or medical or dental expenses received as a result of participation in the camp/s.
- I give permission to Delaware Technical Community College to dispense the medication(s) listed on the Medication Administration Form, if any, to my child according to the information provided above. In the event that the emergency contacts cannot be reached, I hereby grant Delaware Technical Community College permission to give whatever immediate treatment is necessary and/or take my child to the nearest Hospital Emergency Room. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medication with respect to my child.
- I understand that no reduction in the tuition will be made for late arrival or early departure.
- I understand that no part of my tuition will be returned if my child should be dismissed from camp.
- I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional and informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television and brochures. I waive the right to approve such uses and I release Delaware Technical Community College from any liability in connection therewith.
- Permission is hereby granted for my child to attend all scheduled field trips and off-campus activities scheduled in connection with the camp. I understand and acknowledge that participation in the camp and related activities carries with it the possible risk of physical injury. On behalf of my child, I assume all such risk of physical injury and hereby release and forever discharge Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all liability, claims, expenses or losses arising from bodily injuries or damage to people or property resulting from my child's involvement and participation in the camp. I further acknowledge and agree that I will be fully responsible for any and all losses or damages that my child inflicts upon any person or upon the College facilities during participation in the camp.
- Deposits: The twenty five dollars (\$25) of your camp payment is considered a deposit to hold your child's camp seat. Deposits are non-refundable but it is possible that the deposit may be transferred according to the Transfer Policy below.
- Refund: If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the \$25 deposit. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds for payments made by check may take six to eight weeks to process.
- Transfer Policy: If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week previously enrolled in. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

I have carefully read all of the information, policies and procedures above and in the camp booklet (and/or website) and I agree to all the terms and conditions. I am the legal guardian of the camper.

## 2018 Camp Registration Form

### Off-Campus Activities Permission and Release Form

*To Be Completed by the College:*

**Camp Date(s):**  Spring Break Camp - 4/2 thru 4/6 |  Summer Camp - 6/11 thru 8/10

**Details:** Variety of trips throughout Kent and surrounding areas. Details for each weekly trip to be distributed weekly to parents via Weekly Newsletter

**Camp Transportation:** Certified and licensed bus company to be determined by the College.

*To Be Completed by Guardian:*

**Name of Child:** \_\_\_\_\_ **Age:** \_\_\_\_\_

**List All Special Needs or Problems of Child Requiring Special Attention During Transportation Provided by the College for the Camp:**

---

---

I, the undersigned parent or guardian of \_\_\_\_\_, (Print Name) hereby grant permission for my child to participate in all of the activities, including those occurring off of property owned or controlled by the College, scheduled for the camp. My permission extends to all activities listed on this form or which may occur during the course of the camp. My permission includes the transportation listed above as provided by the College unless I have indicated otherwise on this form. In the event that I have chosen to arrange my child's transportation to and from the camp, I acknowledge that the College, its employees, agents, and trustees, have no liability arising out of and from the transportation of my child to and from these activities.

I further understand that all of the terms, conditions, and information contained in the 2017 Authorization Form as submitted by me on behalf of my child, including the assumption of the risks of camp activities, medical authorization, promotional authorization and such related releases of liability shall apply during my child's participation in the activities occurring off of property owned or controlled by the College scheduled for the camp as well as during the College's transportation of my child in conjunction with these camp activities.

**I HAVE CAREFULLY READ ALL OF THE INFORMATION ON THIS FORM AND VOLUNTARILY AGREE TO ALL TERMS AND CONDITIONS. I AM THE LEGAL GUARDIAN OF THE CAMPER AND UNDERSTAND THAT THE INFORMATION, TERMS, AND CONDITIONS CONTAINED ON THIS FORM SHALL SERVE AS A RELEASE AND ASSUMPTION OF LIABILITY FOR MY HEIRS, EXECUTORS, AND ADMINISTRATORS.**

# Youth Personal Enrichment

## Babysitting Certification

\$55

To familiarize and provide young adults with basic skill training and information that is necessary in caring for infants and children, such as emergency action steps, personal safety, fire safety, infant care, basic first aid, and choking management. Please bring a bag lunch and baby doll.

ENU 004 602      4/6      F      8:30am - 3:30pm

## Out of School Youth Program

For youth ages 16 - 24 at the time of enrollment.

*Our mission is to provide education opportunities for individuals seeking to earn their GED®, personal growth, self-improvement and academic achievement. These goals are implemented through a highly-structured, non-traditional environment; integrating training, mentoring and diverse educational activities. Our purpose is to prepare youth facing serious barriers to employment by providing training and other services that will result in an increase in employability, earnings, educational and occupational skill credentials; thereby improving the quality of the workforce and enhancing its productivity and competitiveness.*

### Placement screening is required.

The assessment will last approximately 3 and ½ hours.

### No cost for registration, screening or classes.

Only students who have officially withdrawn from school are eligible to participate.

Report to Delaware Technical Community College - Terry Campus (Building 200, located on Associate Drive) on the screening date and time. No registration necessary!
