Can’t decide on a career or major?

Use FOCUS 2 – Delaware Tech’s career exploration and planning tool

FOCUS 2 includes self-assessments and information to research careers. Based on your self-assessment results, you will be able to explore occupations and majors. To benefit fully from self-assessment and exploration tools:

We recommend you visit Career Services.

Here, an Academic Counselor will help you interpret your results and develop career goals. Contact us soon for an appointment!

New students
► Build self-awareness and capture the descriptive words you can use on your resume to portray yourself effectively
► Understand the Career Planning process
► Explore majors at Delaware Tech that match your interests and support your career goals
► Explore career fields and occupations that appeal to you
► Make informed decisions about your major and career
► Develop an action plan

To SET UP an account and log back into FOCUS 2:

New Users
► Go to https://www.dtcc.edu
► Locate the “Student Resources” tab, and click “Career Services.”
► Click on the “Current Students” tab located in the upper corner.
► Scroll down, and click on “Sign Up and Explore FOCUS 2.”
► Click “New User”.
► The access code is “careers”.

Returning Users
Log back in by entering your username and password on the FOCUS 2 log in page. If you forget your user name and password, go to the log in page to have it emailed.

Things to Keep in Mind
► Use FOCUS 2 online on any PC or MAC computer or IPAD anywhere, anytime.
► FOCUS 2 always saves your results.
► Use FOCUS 2 as often as you wish.
► You can change your mind about earlier choices, repeat a section and explore new options.
► Your results are stored online and are always available to you and your counselor/advisor.
Use the system features in any order. Below is a snapshot of the FOCUS 2 Main Menu, which mirrors the steps of the career planning process. Most students start at the top of the Main Menu and work their way down through the FOCUS 2 tools.

To help in making a decision:

1) Complete all five (5) areas of the Self Assessment: Work, Personality, Values, Skills & Leisure.

2) Then, explore the possibilities.

3) Create your personalized plan.
