

CAMPUS LOCATION: Dover, Georgetown, Stanton, Wilmington

Curriculum: General Studies

Effective: 2022-51

COURSE SEQUENCE SHEET  
 Curriculum Code Designation: **SCIAOSSCI**

No developmental education requirements  
 ENG 011  
 MAT 052  
 MAT 062  
 MAT 099

Name: \_\_\_\_\_

ID#: \_\_\_\_\_

Matriculation Date: \_\_\_\_\_

**SSC 100 is a pre-requisite for all developmental and 100-level courses.**

Select 32 credits from the general education electives:

**UNDERSTANDING THE ELECTIVE COURSES (32 credits)** These may include any combination of college-level courses recommended/required for a discipline major and/or courses from the General Education offerings in Communications, Humanities, Mathematics, Natural Sciences, & Social and Behavioral Sciences. Excluded are college transitional courses and courses designed especially for allied health/nursing curricula. When choosing electives, students should give careful attention to their major field of study and to the requirements of the institution to which they plan to transfer. Certain technical/occupational courses can be used to satisfy this area requirement. Please consult with an Advisor.

Students interested in applying to an allied health or engineering transfer program should refer to the course sequence sheet for that specific program.

**Students interested in transferring to a four-year institution should follow the General Studies course sequence sheet. Students must consult with their program advisor or counselor or with the admissions department at the receiving institution to find out how a transferable course will apply to their intended major requirements as well as to determine the age limits of acceptable courses.**

**Electives for each allied health/engineering transfer area of interest.**

**Associate of Nursing**
