OWENS CAMPUS - GEORGETOWN
DELAWARE TECH
Welcome to Kids on Campus at Delaware Technical Community College. We offer a wide variety of courses for kids of all ages. With lots of new topics to choose from, your child can improve his or her art skills, explore career options, whip up a tasty dish, participate in theatrical performances, blast off a rocket, show off sports abilities or have fun with NERF guns. We also offer the latest STEM camps based on virtual reality, Minecraft and more.

We look forward to welcoming your child to Delaware Technical Community College for a summer of learning, creativity and fun!

Information presented in this bulletin is complete and accurate at the time of printing.
In support of Gov. Markell’s STEM (Science, Technology, Engineering, and Mathematics) initiative, Delaware Technical Community College offers a wide variety of STEM camps for youth of all ages. The Delaware STEM Council was formed in 2010 to ensure Delaware’s children graduate ready to succeed in the high-wage jobs of tomorrow. The youth camps are designed to make learning fun and exciting and to encourage students to explore careers in science, technology, engineering, and mathematics.

For those who must drop children off prior to their camp or need to pick them up after they get off work, take advantage of our Extended Care offering. Safe, excellent supervision for children prior to morning camp (8-9 a.m.). We also offer extended care from noon-1 p.m. for those campers who enroll in both a morning and afternoon camp. In addition, extended care is available for those needing to stay from 4-5 p.m.

**Morning Extended Care (Ages 6-16)**
ENU 626-201, 5 hrs, Fee $15
5 sessions, (selected dates), MTWThF, 8-9am

**Morning/Afternoon Extended Care (Ages 6-16)**
ENU 227 - 15 hrs, Fee $25
5 sessions, (select dates), MTWThF, 8-9am/noon-1pm/4-5pm

**Afternoon Extended Care (Ages 6-16)**
ENU 635-201, 5 hrs, Fee $15
5 sessions, (selected dates), MTWThF, 4-5pm

**Lunch Time Extended Care (Ages 6-16)**
For those whose children are registered for both the morning and afternoon camps, their child/children can stay for free from noon-1pm.
ENU 679 - 5 hrs, FREE
40 sessions, (selected dates), MTWThF, noon-1pm

**Select week(s) of care requested:**
Section 201 6/12-6/16
Section 202 6/19-6/23
Section 203 6/26-6/30
Section 204 7/3-7/7
Section 205 7/10-7/14

**WHAT IS STEM?**

Find for STEM Fun!

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Delaware Tech Summer Camps are offered in half-day format for ages 2-16 years. Camps are in session for a total of 9 weeks, one week at a time for half day (some exclusions apply). While kids are welcome to attend just one camp per week, we invite you to ‘PassportTo Fun’ by registering for two in one week. (These campers are eligible for a FREE, supervised lunchtime, see page 2 for more information). There are multiple AM and PM options to choose from. All details for each camp are found in their respective age groups within the brochure.

**Multiple Camp Discount**

Sign up for 3 camps and get each additional camp at $10 off the regular tuition. This discount is available per family and the discount is applied to the lowest priced camps. The minimum of 3 camps can be registered by one or more children within the same household. After the initial 3 camp purchase, the reduction will be applied to each additional camp registered by any member of the same household. Plan your summer NOW! To receive this special discount, please call our registration team at 302-259-6330. (Scholarship recipients are not eligible for discount.)
Toddler Time: Imagine, Create & Explore
Introduce your little one to summertime fun in this mini day camp! Our tiny campers will wiggle their way through music, explore textures and colors in art, and playfully exercise mind and body in yoga. Use your imagination to create and explore at Toddler Time! Each child must be accompanied by an adult. This camp is offered two different weeks - each child is welcome to register more than once (note: some activities will be duplicated). Toddler Time is instructed in partnership with Create! Studio for the Arts.
ENU 871-201, 7.5 hrs, Fee $69
5 sessions, 7/10-7/14, MTWThF, 9-10:30am
ENU 871-202, 7.5 hrs, Fee $69
5 sessions, 7/24-7/28, MTWThF, 9-10:30am

East Coast Garden Center Children’s Garden (Ages 2-5)
Interested in getting your hands dirty digging in mud and dirt? Join East Coast Garden Center for a fun and exciting camp where children will be working on tending the garden. Your child will learn and practice basic horticultural skills while planting seeds and transplants, digging, mulching, watering, weeding, and harvesting vegetables. Each child must be accompanied by an adult. This camp is located off-campus at East Coast Garden Center in Millsboro.
ENU 261-271, 9 hrs, Fee $95
6 sessions, 6/7-7/12, W, 9:30-11am
Welcome Preschool Campers! Camps are offered only during our morning session for this age group. Most camps run the full 9 a.m.-noon time frame, though there are a couple weeks where you have 2 choices as they are split between the session. When registering for the 2 camps in one week, a supervised half hour snack time will be provided at no charge. Note: you do not have to register for both camps. All campers ages 4-5 MUST BE POTTY TRAINED. Please send a small snack each day of camp. Camps are listed by date.

Beginning Tumbling
Participants will learn basic tumbling skills, such as forward rolls, backward rolls, and cartwheels. This camp will help students develop body awareness and coordination. Instructor: Rachel Cryne
ENU 578-201, 5.75 hrs, Fee $59
5 sessions, 6/12-6/16, MTWThF, 9-10:15am
ENU 578-202, 5.75 hrs, Fee $59
5 sessions, 6/19-6/23, MTWThF, 9-10:15am

Frozen Fantasy
Dress up and act out your favorite Frozen character with Frozen Fantasy! Students will create, discover and dramatize roles, characters and scenes from various children's story favorites. Fun includes: vocals, dance, creative movement, musicality, improvisation, theatre games, and arts and crafts. This will be integrated with many children's props. Age appropriate, child and family friendly and filled with elements of fun and adventure. Instructor: Cathy Jansen
ENU 826-201, 5.75 hrs, Fee $65
5 sessions, 6/12-6/16, MTWThF, 10:45am-noon

Recess Rocks (Ages 4-5)
Kids will be encouraged to work together as a team with laughter, fun and staying fit as well as participate in individual exercises. Games such as Duck, Duck, Goose, tag, and more will help them get physical activity while working together. The camp will also include circuit training, such as push-ups, sit-ups, and exercises set to music. Who doesn’t enjoy good old-fashioned recess fun? Instructor: Wes Townsend
ENU 860-201, 5.75 hrs, Fee $49
5 sessions, 6/19-6/23, MTWThF, 10:45am-noon

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Crafty Critters
Does your child love arts & crafts? Getting messy with homemade playdough and making oobleck and scratch art paper are a few of the fun projects we have in store! We concentrate on exercising the fine motor skills and creativity of young ones by gluing, decorating, and painting their way to fun. Campers will be so excited to share their projects with you each day! Supply fee included in tuition. Campers need to bring an old T-shirt to wear for a smock!
Instructor: Kara Rawlings
ENU 828-201, 15 hrs, Fee $139
5 sessions, 6/26-6/30, MTWThF, 9am-noon

Movement & Music
Toot, sing, clap, and dance your way to fun and friendship! Developed to build attention and self-expression, activities include singing, chanting, moving, focused listening, musical games, exploring instruments, creative movement and storytelling. Children will interact with others and learn social skills. Activities will build up to a final performance on Friday for parents and families. No camp 7/4.
Instructor: Debby Dudley
ENU 827-201, 12 hrs, Fee $95
4 sessions, 7/3-7/7, MWThF, 9am-noon

Science of Fairytale Friends
Dive into fairy tales as we learn about the science behind great adventures! Through experiments, STEM challenges, and crafts we will be helping our favorite characters’ solve problems. The Three Little Pigs need to build a strong house. How will we pass the troll with a float to help the Billy Goats Gruff get to the other side? Jack needs you to get down the beanstalk with a parachute! Come learn how science can save your fairytale friends.
Instructor: Morgan Kaplan
ENU 874-201, 15 hrs, Fee $115
5 sessions, 7/10-7/14, MTWThF, 9am-noon

Animal Kingdom
Put on your adventure clothes and get ready for a wild ride through the animal kingdom! We are traveling to Africa, Asia, Antarctica, the middle of the ocean and a farm to learn about different animals. Prepare for discovery and expedition as we use our five senses to learn about the different animals around the world!
Instructor: Morgan Kaplan
ENU 290-201, 15 hrs, Fee $115
5 sessions, 7/17-7/21, MTWThF, 9am-noon
MULTIPLE WEEKS

ABC’s Adventure
This program will prepare your camper for the start of school. Hands-on activities, reading, writing, singing and more. We will review and teach skills such as: letters, numbers, colors and shapes, cutting skills and more! Interactive daily lessons will provide a fun and enriching environment to stimulate your child’s yearning for learning.
Instructor: Susan Sapp

ENU 288-201, 15 hrs, $129
5 sessions, 7/24-7/28, MTWThF, 9am-noon

CompuKids
Click your way to fun! In a preschool friendly environment, kids will learn technology skills, such as components of a computer, operation, keyboarding and navigation. Fun, interactive lessons will include stories and games associated with computers to familiarize them with the mouse, monitor and keyboard. Prepare your little ones for the wave of the future! Instructor: Amber Miller

ENU 829-201, 15 hrs, Fee $89
5 sessions, 7/31-8/4, MTWThF, 9am-noon

Tiny Tutus
Explore the world of ballet in a fun, enlightening and interactive environment. Learn dance techniques, play games and make fun crafts. Please wear leotards, tights, ballet slippers and either a ballet skirt or shorts with elastic waist bands. Hair should be pulled away from face.
Instructor: Cathy Jansen

ENU 653-201, 15 hrs, Fee $99
5 sessions, 8/7-8/11, MTWThF, 9am-noon

REGISTER EARLY!
To get into the camp of your choice, take advantage of our online registration at www.go.dtcc.edu/owenskidsoncampus

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Welcome campers! Camps are listed by week and within each week, are in order of morning session followed by afternoon. Please plan on sending a small snack each day of camp as snack time will be built into the daily agendas.

How to Be a YouTube Sensation
Do you like to watch movies, TV shows, and YouTube videos? Do you like to take your own pictures? Have you ever wanted to make your own movie or use pictures to make your own movie? Here’s your chance! Learn the basics to making your own movie as you take your idea from the planning process to writing a script, developing your shots, taking your pictures, taping your video and editing the video into a real movie you can show to your family and friends. Instructor: Cassie Gotto White

ENU 286-201, 15 hrs, Fee $115
5 sessions, 6/12-6/16, MTWThF, 9am-noon

Minecraft Camp
In this fun camp, campers will use the ever popular Minecraft video game to build worlds, solve puzzles and create together. Campers will have specific goals and challenges each day, which they will take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing, and unique worlds together!

ENU 923-202, 15 hrs, Fee $119
5 sessions, 6/12-6/16, MTWThF, 1-4pm

Make sure you get your passport so you can collect ALL your stamps from your camps!
JUNE 19 - 23

Edible Science
Let’s taste test our way through edible science experiments. Learn about crystals with rock candy, make homemade butter, discover gummy fossils, and so much more! Have a blast while learning about various scientific practices through hands-on experiments.
Instructor: Morgan Kaplan
ENU 272-201, 15 hrs, Fee $115
5 sessions, 6/19-6/23, MTWThF, 9am-noon

Guitar for Beginners
Strum your way to musical fun as you accompany a variety of musical repertoire revolving around simple guitar chords. To give your fingers and voice a break, theory fundamentals will be explored leading to a basic understanding of notes, cord structures, and theory foundations. A limited number of guitars will be available for use on a first come, first serve basis. Please call Erin at 302-259-6366 if you will need one for camp. This is a beginning guitar course and applied to acoustic guitars only. Guitar book included.
Instructor: Debby Dudley
ENU 851-202, 15 hrs, Fee $135
5 sessions, 6/19-6/23, MTWThF, 9am-noon

Sweet Treats Dessert Camp
Measure, mix, and bake your way to fun during this summer camp. Who doesn’t love a yummy dessert? Campers will learn a variety of pastry skills from cupcake and cookie decorating to hand-made galettes and no-bake desserts. Express your creative side and expose yourself to new baking techniques. A scrumptious way to spend part of your day! Grocery/lab fee included in registration.
Instructor: Chef Bonnie Aronson, CEC
ENU 925-202, 15 hrs, Fee $149
5 sessions, 6/19-6/23, MTWThF, 9am-noon

Mad Scientists
Every day is filled with hands-on experiments to make learning fun! From making music to creating chemical reactions, this camp will keep your little scientist guessing and having fun!
ENU 849-201, 15 hrs, Fee $119
5 sessions, 6/19-6/23, MTWThF, 1-4pm

Meet the Great Artists through Canvas
Come learn about a new artist each day and discover what made them so famous as we copy their styles. Students will be completing a 16 x 20 canvas with acrylic paint each day. Come explore the techniques that made great artists famous and perhaps even create your own masterpiece! Meet the Great Artists through canvas is instructed in partnership with copy CopyCat Paint Parties.
ENU 906-201, 15 hrs, Fee $135
5 sessions, 6/19-6/23, MTWThF, 1-4pm

East Coast Garden Center
Children’s Garden (Ages 6-8)
Interested in getting your hands dirty digging in mud and dirt? Join East Coast Garden Center for a fun and exciting camp where children will be working on tending the garden. Your child will learn and practice basic horticultural skills while planting seeds and transplants, digging, mulching, watering, weeding, and harvesting vegetables. Each child must be accompanied by an adult. This camp is located off-campus at East Coast Garden Center in Millsboro, DE.
ENU 261-272, 12 hrs, Fee $99
6 sessions, 6/19-7/24, W, 9-11am
Baseball (Ages 7-12)
This camp will concentrate on fundamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and sliding tips. Wear appropriate clothing, and bring a glove. Report to the softball field. Instructor: Brent Jackson
ENU 214-201, 15 hrs, Fee $99
5 sessions, 6/26-6/30, MTWThF, 8:30-11:30am

Fashionista Fun
Boost your fashion knowledge and spark your creativity with patterns, layers, fabrics and colors galore! Fashion games and collages will culminate in the creation of a fashion board presentation of your favorite trends and style. Camp is led by Jami Faust Jackson from Faust Fashion who earned a Bachelor of Science in Fashion Merchandising.
ENU 847-201, 15 hrs, Fee $119
5 sessions, 6/26-6/30, MTWThF, 9am-noon

Ooey Gooey Galore
What is stinky, gooey, oozy and green all over? You- at this fun camp. Campers will discover loads of horribly fantastic experiments while learning fun science! Join us for a hilarious journey of all things NOT allowed at the dinner table- boogers, burps, slime, and more! Instructor: Morgan Kaplan
ENU 833-201, 15 hrs, Fee $115
5 sessions, 6/26-6/30, MTWThF, 9am-noon

Around the World with Herbs & Spices (Ages 7-16)
Let’s travel around the world learning how different countries use spices to flavor their dishes! Enjoy a fun culinary environment as you explore the tastes and textures of various herbs and spices in your recipes. Campers will prepare full course meals throughout the day, while working in groups and learning their way around the herb pantry! You’ll be surprised at the great fun you can have while cooking! Grocery lab fee is included in tuition. Students will prepare food to eat during the camp, but please pack a separate lunch/snack to ensure your child has something they like.
Instructor: Chef Bonnie Aronson, CEC
ENU 901-201, 30 hrs, Fee $289
5 sessions, 6/26-6/30, MTWThF, 9am-4pm

Abrakadoodle Art Camp
Grab your glue, grab your scissors and don’t forget your imagination as we explore the world of art and magic! Campers will concentrate on exercising their fine motor skills and creativity by painting, assembling, gluing and cutting. Transform your masterpieces through blending and sculpting and then..."Abra Kadabra!"- it’s perfect. Supply fee included in tuition. Campers need to bring an old t-shirt to wear for a smock!
Instructor: Kara Rawlings
ENU 893-201, 15 hrs, Fee $125
5 sessions, 6/26-6/30, MTWThF, 1-4pm

NERF Blasters
It’s NERF or nothin’ as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF dart tag competitions. One NERF gun/arrow per person will be provided as well as safety glasses. Campers are able to bring their own supplies, but they must be approved by the instructor.
Instructor: Christopher Revel
ENU 924-203, 15 hrs, Fee $129
5 sessions, 6/26-6/30, MTWThF, 1-4pm
JULY 3 - 7

Jewelry Boutique
Come learn how to weave, sew, and spool-knit with beads to create jewelry! Each day we will learn and use different types of beads and jewelry accessories. You will also be able to learn, create your business logo and plan for you to be successful in your jewelry boutique. At the end of the week, you will have the opportunity to showcase your jewelry at your boutique on Friday! No camp on 7/4.
ENU 273-201, 12 hrs, Fee $85
4 sessions, 7/3-7/7, MWThF, 9am-noon

Minecraft Camp
In this fun camp, campers will use the ever popular Minecraft video game to build worlds, solve puzzles and create together. Campers will have specific goals and challenges each day, which they will take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together! No camp 7/4.
ENU 923-203, 15 hrs, Fee $95
4 sessions, 7/3-7/7, MWThF, 9am-noon

Recess Rocks
Kids will be encouraged to work together as a team with laughter and fun while staying fit and participating in individual exercises. The camp will include team-building activities as well as fitness activities. Games such as Capture the Flag will help campers get physical activity while working together. It will also include circuit training, such as push-ups, sit-ups and exercise to music. Who doesn’t enjoy good old-fashioned recess fun? Please wear sneakers and loose clothing. No camp 7/4.
ENU 825-201, 15 hrs, Fee $85
4 sessions, 7/3-7/7, MWThF, 9am-noon

Hip-Hop Fitness
This exciting class incorporates hip-hop music and dancing with aerobic fitness. Learn fitness and hip-hop dance moves during a fun-filled motivating work-out! This class also helps kids get healthy by boosting their metabolism and increasing energy levels. Get their hearts pumping! Intended to improve overall physical fitness, stamina, and endurance while having fun. No camp 7/4. Dress code: comfortable clothing and sneakers. Instructor: Leslie Ruiz
ENU 830-201, 12 hrs, Fee $75
4 sessions, 7/3-7/7, MWThF, 1-4pm

Jurassic World Survival Camp
Join in the hunt to learn about dinosaurs! Do you want to observe the friendly triceratops or stalk a dangerous pack of velociraptors? You’ll have to learn how to survive in their world first! Do you know which dinosaurs eat plants and which eat meat? Follow their tracks before they start to track you! When we’re not in the field we will learn about dinosaur fossils, how they’re discovered, and also about the genetics that give us the dinosaurs of Jurassic World. Take an adventure millions of years in the making! No camp on 7/4.
ENU 231-201, 12 hrs, Fee $99
4 sessions, 7/3-7/7, MWThF, 1-4pm

Find for STEM Fun!

SCHOLARSHIPS AVAILABLE
Scholarships are available for summer camps with an approved application turned in by May 1.
Please call 302-259-6330 for information and availability.
Baseball (Ages 7-12)
This camp will concentrate on fundamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and sliding tips. Wear appropriate clothing, and bring a glove. Report to the softball field.

Soccer
Campers will learn basic skills of the game through a variation of interactive games which will be fun and competitive for all ages. Campers will work on skills such as dribbling with their dominant and weak foot, passing and receiving, defending, and finishing. Please wear loose clothing and sneakers. Don't forget your ball! Instructor: Patrick Kilby
ENU 509-201, 15 hrs, Fee $99
5 sessions, 7/10-7/14, MTWThF, 8:30-11:30am

Cosmetology Camp
Have you ever dreamed about the wonders that the beauty world holds? Why not learn some fundamentals of the beauty industry, meet other inspiring people, and look gorgeous doing it! Students will spend their fun-filled days learning the basics of skin care, nail care, natural nail services, make-up application, and all natural skin masks and scrubs that they will be able to take home! After learning a service, students will be able to practice and exchange their newfound skills and artistry on each other in a controlled environment that is under the constant supervision of a Delaware Licensed Cosmetology Instructor with over a decade in the beauty industry. Students will learn invaluable information that will help keep them looking and feeling beautiful both inside and out. Material fee included in tuition. Instructor: Ricki Tibbs
ENU 878-201, 15 hrs, Fee $99
5 sessions, 7/10-7/14, MTWThF, 9am-noon
Dance with Us
Interested in dancing like “Dancing with the Stars”? We would love to teach you how to dance just like the stars! You will have fun, laughter, and express yourself through dance! We will learn the Tango, Samba, Cha Cha, and Jive. On Friday, there will be a performance to show off your skills! No experience needed. Just wear comfortable clothes and shoes that don’t stick to the floor. Be ready to strut your dance feathers!
ENU 400-201, 15 hrs, Fee $89
5 sessions, 7/10-7/14, MTWThF, 9am-noon

Star Wars Force Academy
Choose your side in the battle for the galaxy! Before you can fight with Finn, Rey, and Kylo Ren, you’ll need to train in the academy to be the best you can be. Are you a part of the Resistance or the First Order? What do you know about the force? Whatever side you fall into, you won’t be alone. You’ll have to learn how to work as a team and use everyone’s talents together to succeed!
Instructor: Cory Dunt
ENU 239-201, 15 hrs, Fee $105
5 sessions, 7/10-7/14, MTWThF, 9am-noon

Basic Keyboard
Tickle the ivories as you play your way across the keys! Campers will learn the basic fundamentals of playing the keyboard, while building a foundation of music theory and notation and rhythms through games and exercises. Knowledge gained at this camp can lay the foundation to further explore the piano or other musical instruments. Campers will share their accomplishments in a final performance on Friday. This is not only the first step toward learning to play the keyboard, but also toward fostering the love of music! Students must bring their own keyboard which can be stored in the classroom during the camp week. Book included in tuition. Instructor: Debby Dudley
ENU 892-201, 15 hrs, $135
5 sessions, 7/10-7/14, MTWThF, 1-4pm

Virtual U Camp
Endless experiences and worlds are available to you thanks to virtual reality. In this camp, you will create and interact with a variety of virtual environments. You will be able to tackle unique design challenges, games, and activities. Come join in on the cutting edge of technology.
Instructor: Jason Coulter
ENU 291-201, 15 hrs, Fee $139
5 sessions, 7/10-7/14, MTWThF, 1-4pm

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Baseball (Ages 7-12)
This camp will concentrate on fundamentals and drills, basic mechanics of pitching, infield/outfield plays, hitting, base running, and sliding tips. Wear appropriate clothing, and bring a glove. Report to the softball field.
Instructor: Brent Jackson
ENU 214-203, 15 hrs, Fee $99
5 sessions, 7/17-7/21, MTWThF, 8:30-11:30am

Breathing Buddies (Ages 7-12)
Does your chest get tight when you run and play with friends? Do you use an inhaler for asthma? Does your brother or sister know what to do when you are having trouble breathing? Come learn about asthma with Breathing Buddies! Breathing Buddies is an active morning program in which children diagnosed with asthma or their sibling(s), can learn about common asthma triggers, their prescribed medications used to treat asthma, and tools to manage their asthma, all while participating in summer activities, arts and crafts, and having fun!
Instructor: Jessica Rickards
ENU 250-201, 12 hrs, Fee $45
4 sessions, 7/17-7/20, MTWTh, 9am-noon

Minecraft Camp
In this fun camp, campers will use the ever popular Minecraft video game to build worlds, solve puzzles and create together. Campers will have specific goals and challenges each day, which they will take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together!
ENU 923-206, 15 hrs, Fee $119
5 sessions, 7/17-7/21, MTWThF, 9am-noon

Pirate’s Treasure
Ahoy there mateys! Pirate Week is finally here. What becomes of this week depends on how many skulls you can spark with imagination, including your own. Build your own pirate ship and act, sing and craft your way to find the treasure! Camp will include a visit to the Treasures of the Sea Museum at Delaware Tech. “Arr” ya ready for fun mateys?
Instructor: Amber Miller
ENU 896-201, 15 hrs, Fee $105
5 sessions, 7/17-7/21, MTWThF, 9am-noon

Cheerleading
Jump into a week of learning cheerleading basics and team fun! Arm motions, jumps, tumbling, stunts, cheers and routines will be the main focus of the week. Science of Flight
Up, up and away! Put on your wings as we learn the science behind how things fly. Discover how airplanes, gliders, kites, and even animals fly. We are inventing, designing, and testing our own flying objects through experiments and crafts. Instructor: Morgan Kaplan
ENU 251-201, 15 hrs, Fee $115
5 sessions, 7/24-7/28, MTWThF, 9am-noon

How to Become a Meteorologist
Ever wonder how a meteorologist predicts rainshowers, snow, or sunshine? You can learn how to forecast the weather just like them by learning what to look for in the atmosphere. During the week you will learn how to read and understand the same information meteorologists use. At the end of the week, you will be able to make your own weather segment for a news broadcast. Never get caught without your umbrella or jacket again! Instructor: Alexandra March
ENU 275-201, 15 hrs, Fee $135
5 sessions, 7/24-7/28, MTWThF, 1-4pm

Musical Theatre Camp (Ages 6-12)
Songs, dances and scenes from cherished Broadway and Disney favorites, from stage and screen, will come alive! Campers will learn basics of singing, acting, dancing, and stage movements. Participate in group scenes or challenge yourself with a solo or duet. Friends and family are invited the last day of camp for a final performance. Instructor: Cathy Jansen
ENU 645-201, 15 hrs, Fee $105
5 sessions, 7/24-7/28, MTWThF, 1-4pm

NEW INSTRUCTORS ARE ALWAYS WELCOME!

Workforce Development and Community Education is continually expanding its camp offerings. If you would like to propose a new camp, e-mail Erin Schutt at eschutt@dtcc.edu or 302-259-6366.
Wide World of Sports
Calling all sports enthusiasts!!! A fun-filled week allows you to sample a variety of sports, includes football, basketball, soccer and more. Challenge yourself and learn new, fun skills! Please wear appropriate clothing and comfortable sneakers and bring a bottled water.
Instructor: Brent Jackson
ENU 625-201, 15 hrs, Fee $99
5 sessions, 7/31-8/4, MTWThF, 8:30-11:30am

Droid Builder
Have you ever been jealous of Luke Skywalker’s R2-D2 or C-3PO? Come to this workshop where you will build your own interchangeable solar powered Bot! Learn robotics with LEGO Mindstorms EV3. Campers are taught engineering basics with an emphasis on exploration and trial and error field testing. They are encouraged to think critically about how and why their design needs to adapt to changing conditions. Come learn engineering techniques such as gear use, pulleys, and how to build your own robot! Instructor: Alexandra March
ENU 540-201, 15 hrs, Fee $109
5 sessions, 7/31-8/4, MTWThF, 9am-noon

Introduction to Ballet
A fun-filled dance camp for dancers of all levels. Students will concentrate on classical ballet, and also yoga and jazz while focusing on learning proper dance techniques. Students will also learn dance and ballet history, terminology and famous ballerinas and dancers. Students will perform a combination from each style at the end of the session. Dress code: Solid-colored leotard, pink tights, ballet slippers, or socks. Dance skirt or shorts optional. Hair in a bun, no jewelry (stud earrings are ok.) Instructor: Cathy Jansen

Archery Survival Games
In this hands-on archery class, every student has the chance to become Katniss Everdeen while using a bow and learning basic skills to survive. Would you be able to survive? Come learn about Katniss’ bow, the history of its construction, and the use of a longbow and recurve bow. Students will learn methods of shooting, finding distance, and fun, safe shooting drills to improve bow handling skills. Come learn the basic survival skills needed to last in the Hunger Games. May the odds be ever in your favor! Please wear comfortable shoes and bring a bottled beverage to class. Archery Survival Games is instructed in partnership with Edge Academy.
Instructor: Derek Dutton
ENU 215-201, 15 hrs, Fee $99
5 sessions, 6/26-6/30, MTWThF, 9am-noon

PROGRAMMING AND MORE WITH RASPBERRY PI (AGES 9-16)
Campers are introduced to the world of computer science using a Raspberry Pi (www.raspberrypi.org) – a single board computer that’s about the size of a credit card! It is a capable little computer which can be used in electronics projects, and for many of the things that your desktop PC does, like spreadsheets, word-processing and games. It also plays high-definition video. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week! Students will receive a full Raspberry Pi Unit with SD memory card the first day, but are not permitted to take the Raspberry Pi home until the final day of camp. Computer cost is included in tuition.
Instructor: Derek Dutton
ENU 885-201, 15 hrs, Fee $215
5 sessions, 6/26-6/30, MTWThF, 9am-noon

Scholarships are available for summer camps with an approved application turned in by May 1.
Please call 302-259-6330 for information and availability.
AGEDS 9-12  JUNE 26-30

**Around the World with Herbs and Spices (Ages 7-16)**

Let's travel around the world learning how different countries use spices to flavor their dishes! Enjoy a fun culinary environment as you explore the tastes and textures of various herbs and spices in your recipes. Campers will prepare full course meals throughout the day, while working in groups and learning their way around the herb pantry! You'll be surprised at the great fun you can have while cooking! Grocery lab fee is included in tuition. Students will prepare food to eat during the camp, but please pack a separate lunch/snack to ensure your child has something they like.

Instructor: Chef Bonnie Aronson, CEC

ENU 901-201, 35 hrs, Fee $289
5 sessions, 6/26-6/30, MTWThF, 9am-4pm

**Meet the Great Artists through Canvas**

Come learn about a new artist each day and discover what made them so famous as we copy their styles. Students will be completing a 16 x 20 canvas with acrylic paint each day. Come explore the techniques that made great artists famous and perhaps even create your own masterpiece! Meet the Great Artists through canvas is instructed in Partnership with CopyCat Paint Parties.

ENU 906-202, 15 hrs, Fee $135
5 sessions, 6/26-6/30, MTWThF, 1-4pm

**MULTIPLE CAMP DISCOUNT**

Sign up for 3 camps and get each additional camp at $10 off the regular tuition. This discount is available per family and the discount is applied to the lowest priced camps. The minimum of 3 camps can be registered by one or more children within the same household. After the initial 3 camp purchase, the reduction will be applied to each additional camp registered by any member of the same household. Plan your summer now! To receive this special discount, please call our registration team at 302-259-6330.

(Scholarship recipients are not eligible for the discount.)
How to Be a YouTube Sensation (Ages 9-16)
Do you like to watch movies, TV shows and YouTube videos? Do you like to take your own pictures? Have you ever wanted to make your own movie or use pictures to make your own movie? Here’s your chance! Learn the basics to making your own movie as you take your idea from the planning process to writing a script, developing your shots, taking your pictures, tapping your video and editing the video into a real movie you can show to your family and friends. Instructor: Cassie Gotto White

In this fun camp, campers use the ever popular Minecraft video game to build worlds, solve puzzles and create together. Campers have specific goals and challenges each day, which they take on both individually and by playing together as a group. Both newcomers and experienced Minecraft players are invited to explore, learn, problem solve and create amazing and unique worlds together!
ENU 923-205, 15 hrs, Fee $119
5 sessions, 7/10-7/14, MTWThF, 9am-noon

Music and Voice Production Camp
Does your child dream of what it’s like to be behind the microphone, performing like their favorite singer? Well, here’s their chance! This one-of-a-kind camp designed by a GRAMMY award-winning music producer and two-time Parent’s Choice Gold winner offers campers an actual recording studio experience by introducing them to the amazing world of the music industry. Campers will have a blast developing their skills in songwriting, music recording, voice-overs and audio equipment operation. Campers can work interchangeably as talent and/or crew, behind the scenes or behind the microphone. They’ll learn vocal warm up routines, perform voice-overs and tv/radio announcements. Have a blast singing karaoke to their favorite songs, and the best part is they will have the unique opportunity to create their very own song from start to finish and record it live! Campers will receive one professionally edited audio CD that contains all of their camp recordings for the week. This CD is included in the camp fee.
Instructor: East Coast Recording Company
ENU 888-201, 35 hrs, Fee $299
5 sessions, 7/10-7/14, MTWThF, 9am-4pm

Sewing Savvy-Beginner
(Ages 9-16)
Ever wanted to be on Project Runway? Come learn how to use your sewing machine with style. Each camper will learn the basic skills needed to operate their sewing machine. You will learn different techniques like the back stick, front stick, how to attach a zipper, sew buttons, and read patterns. You will be able to take home a pillow, apron, and drawstring skirt or pants that you have made! Students must bring their own sewing machines. (They can be kept in the camp room all week and taken home on Friday).
Instructor: Cathy Durham
ENU 236-201, 15 hrs, Fee $145
5 sessions, 7/10-7/14, MTWThF, 9am-noon
Design and Build: Hands on Architecture
Working alongside Delaware Tech’s Engineering faculty, budding architects will work with sketch paper, computers, 2D and 3D software and color printers to design the buildings of the future. Budding architects will transform their designs from the page and screen into models using LEGO’s, chip board, Popsicle sticks, and other materials. Imaginations will soar, creativity will flow and there will be lots of fun as young designers explore the world of architecture!
Instructor: Derek Dutton
ENU 267-201, 15 hrs, Fee $135
5 sessions, 7/10-7/14, MTWThF, 1-4pm

Rockin’ Rockets
Want to build and fly your very own rocket? Learn how to strategically build a rocket while you learn science and engineering skills too. You’ll have a blast making and launching your very own rocket into space! Blast off this summer in Rockin’ Rockets.
Instructor: Christopher Revel
ENU 675-201, 15 hrs, Fee $135
5 sessions, 7/10-7/14, MTWThF, 9am-noon

Girl’s Softball (Ages 9-16)
Play ball! Learn new softball skills and practice your game. A great way to stay in shape and stay in the game over the summer. Bring your bat, glove, bottle of water, and wear your cleats. Report to the softball field.
ENU 659-201, 15 hrs, Fee $99
5 sessions, 7/10-7/14, MTWThF, 1-4pm
Baseball
This camp will concentrate on fundamentals and drills; basic mechanics of pitching, infield/outfield plays, hitting, base running, and sliding tips. Wear appropriate clothing, and bring a glove. Report to the softball field. Instructor: Brent Jackson
ENU 214-203, 15 hrs, Fee $99
5 sessions, 7/17-7/21, MTWThF, 8:30-11:30am

Soccer
Campers will learn basic skills of the game through a variation of interactive games which will be fun and competitive for all ages. Campers will work on skills such as dribbling with their dominant and weak foot, passing and receiving, defending, and finishing. Instructor: Patrick Kilby
ENU 293-201, 15 hrs, Fee $99
5 sessions, 7/17-7/21, MTWThF, 8:30-11:30am

Breathing Buddies (Ages 7-12)
Does your chest get tight when you run and play with friends? Do you use an inhaler for asthma? Does your brother or sister know what to do when you are having trouble breathing? Come learn about asthma with Breathing Buddies! Breathing Buddies is an active morning program in which children diagnosed with asthma or their sibling(s), can learn about common asthma triggers, their prescribed medications used to treat asthma, and tools to manage their asthma, all while participating in summer activities, arts and crafts, and having fun! Instructor: Jessica Rickards
ENU 250-201, 12 hrs, Fee $45
4 sessions, 7/17-7/20, MTWTh, 9am-noon

Jurassic World Survival Camp
Join in the hunt to learn about dinosaurs! Do you want to observe the friendly triceratops or stalk a dangerous pack of velociraptors? You’ll have to learn how to survive in their world first! Do you know which dinosaurs eat plants and which eat meat? Follow their tracks before they start to track you! When we’re not in the field, we will learn about dinosaur fossils, how they’re discovered, and also about the genetics that give us the dinosaurs of Jurassic World. Take an adventure millions of years in the making!
ENU 231-202, 15 hrs, Fee $119
5 sessions, 7/17-7/21, MTWThF, 9am-noon

Virtual U Camp
Endless experiences and worlds are available to you thanks to virtual reality. In this camp, you will create and interact with a variety of virtual environments. You will be able to tackle unique design challenges, games, and activities. Come join in on the cutting edge of technology. Instructor: Jason Coulter
ENU 291-206, 15 hrs, Fee $139
5 sessions, 7/17-7/21, MTWThF, 9am-noon

Drone Revolution! (Ages 9-16)
The drone revolution is here! Come learn more about the DJI Phantom and other popular drones. The DJI Phantom controlled device can be equipped with a camera to provide amazing aerial shots, views and so much more. Learn about safety, equipment needs, and how to use drones. At the end of the week, you will be able to fly a drone, learn about the science behind how drones work, and see a variety of things a drone can do! Each camper will be given a drone during the week of camp. Be part of the excitement of flying drones!
ENU 225-201, 15 hrs, Fee $185
5 sessions, 7/17-7/21, MTWThF, 1-4pm

Ice Cream Business Extravaganza
I scream, you scream, we all scream for ice cream! Come learn how you can use this popular dessert to create a business. Campers will participate in creative projects and enthusiastic activities while learning concepts about money and making it in business. Artfully create displays of your business concepts and finish off the week in a fun delicious competition and field trip. A beginners look combining entrepreneurship and ice cream!
ENU 854-201, 15 hrs, Fee $119
5 sessions, 7/17-7/21, MTWThF, 1-4pm
Baseball Pitching (Ages 7-12)
Focuses on principles, pitching absolutes, mechanics, strategies, physical conditioning, and fielding techniques. Wear appropriate clothing, and bring a glove. Report to the softball field. Instructor: Brent Jackson
ENU 234-201, 15 hrs, Fee $99
5 sessions, 7/24-7/28, MTWThF, 8:30-11:30am

Guitar for Beginners
Strum your way to musical fun as you accompany a variety of musical repertoire revolving around simple guitar chords. To give your fingers and voice a break, theory fundamentals will be explored leading to a basic understanding of notes, cord structures and theory foundations. A limited number of guitars will be available for use on a first come, first serve basis. Please call Erin at 302-259-6366 if you will need one for camp. This is a beginning guitar course and applied to acoustic guitars only. Guitar book included. Instructor: Debby Dudley
ENU 851-201, 15 hrs, Fee $135
5 sessions, 7/24-7/28, MTWThF, 9am-noon

Junior Police Academy
Learn what it takes to be a police officer! The Junior Police Academy will cover aspects of law enforcement training and provide fun, practical applications through the use of classroom instruction, hands-on demonstrations and scenarios. The program is designed to introduce students to law enforcement personnel and provide a basic understanding of police work. Fingerprint your way to fun! We are excited to have the DE State Police partnering with us this year.
ENU 823-201, 15 hrs, Fee $89
5 sessions, 7/24-7/28, MTWThF, 9am-noon

Roller Coaster Energy
Are you ready for a thrill? Come learn about the different types of roller coasters as well as how they move. You will learn the science behind the fun! This camp will introduce you to potential and kinetic energy, forces, and much more! Come join us as you design and then build your own roller coaster while learning how roller coasters move! Instructor: Alexandra March
ENU 281-201, 15 hrs, Fee $135
5 sessions, 7/24-7/28, MTWThF, 9am-noon

Health Career Exploration
Are you intrigued by the work you see on Grey’s Anatomy? Interested in health care as a possible job? This camp will give students a chance to see first-hand careers in nursing, physical therapy, paramedics, veterinary, radiologic and respiratory care technologies. Students will participate in several fun games and activities intended to teach them the skills needed in health care. Current DTCC students and staff will be available for the campers to ask detailed questions about the day to day experience of working in these career fields.
ENU 641-201, 15 hrs, Fee $89
5 sessions, 7/24-7/28, MTWThF, 1-4pm

Musical Theatre Camp (Ages 6-12)
Songs, dances and scenes from cherished Broadway and Disney favorites, from stage and screen, will come alive! Campers will learn basics of singing, acting, dancing and stage movements. Participate in group scenes or challenge yourself with a solo or duet. Friends and family are invited the last day of camp for a final performance. Instructor: Cathy Jansen
ENU 645-201, 15 hrs, Fee $105
5 sessions, 7/24-7/28, MTWThF, 1-4pm

NERF Blasters
It’s NERF or nothin’ as you defend your flag and team up to tag your opponents. Campers will devise defense and team strategies daily to create their own NERF Dart Tag competitions. Watch out for water gun day where it is survival of the fittest! One NERF gun/arrow per person will be provided as well as safety glasses. Campers are able to bring their own supplies, but they must be approved by instructor. Instructor: Christopher Revel
ENU 924-202, 15 hrs, Fee $129
5 sessions, 7/24-7/28, MTWThF, 1-4pm

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Wide World of Sports (Ages 7-12)
Calling all sports enthusiasts! A fun-filled week allows you to sample a variety of sports, includes football, basketball, soccer, and more. Challenge yourself and learn new, fun skills! Please wear appropriate clothing and comfortable sneakers, and bring a bottled water. Instructor: Brent Jackson
ENU 625-201, 15 hrs, Fee $99
5 sessions, 7/31-8/4, MTWThF, 8:30-11:30am

Basketball for Boys
This class includes defensive play, rebounding, passing, shooting, dribbling, and movement. Practice drills, lead-up games and relays. Apply skills in game situations. Wear comfortable clothes and sneakers. Report to the gym. Instructor: Wes Townsend
ENU 529-201, 15 hrs, Fee $99
5 sessions, 7/31-8/4, MTWThF, 9am-noon

Cosmetology Camp
Have you ever dreamed about the wonders that the beauty world holds? Why not learn some fundamentals of the beauty industry, meet other inspiring people, and look gorgeous doing it! Student’s will spend their fun-filled days learning the basics of skin care, nail care, natural nail services, make-up application, and all natural skin masks and scrubs that they will be able to take home! After learning a service, students will be able to practice and exchange their newfound skills and artistry on each other in a controlled environment that is under the constant supervision of a Delaware Licensed Cosmetology Instructor with over a decade in the beauty industry. Students will learn invaluable information that will help keep them looking and feeling beautiful both inside and out. Students will also be able to explore many career opportunities and avenues within the beauty industry. Material fee included in tuition. Instructor: Ricki Tibbs
ENU 878-203, 15 hrs, Fee $99
5 sessions, 7/31-8/4, MTWThF, 9am-noon

Programming and More with Raspberry Pi (Ages 9-16) Intermediate
Campers are you interested in more Raspberry Pi? Didn’t have enough fun with your Raspberry Pi course and want to learn more? Come to this intermediate course that will cover how to get even more out of your computer. In this camp, you will cover more in-depth coding, programs to modify and enhance your computer, and how to manipulate your Pi. Please bring your Raspberry Pi throughout the week. Computer cost is not included in tuition. Instructor: Derek Dutton
ENU 233-201, 15 hrs, Fee $115
5 sessions, 7/31-8/4, MTWThF, 9am-noon
How to Become a Meteorologist

Ever wonder how a meteorologist predicts rainshowers, snow, or sunshine? You can learn how to forecast the weather just like them by learning what to look for in the atmosphere. During the week, you will learn how to read and understand the same information meteorologists use. At the end of the week, you will be able to make your own weather segment for a news broadcast. Never get caught without your umbrella or jacket again! Instructor: Alexandra March

ENU 275-202, 15 hrs, Fee $135
5 sessions, 7/31-8/4, MTWThF, 1-4pm

Sewing Savvy-Intermediate (Ages 9-16)

Think you have mastered the basic skills of sewing with your machine? Come learn advance techniques including hand stitching, reading advanced patterns, putting zippers in clothes, and sewing buttons! In one short week, you will be able to take home a pillow, apron, skirt or pants with a zipper, pillowcase, and placemats made by you! Students must bring their own sewing machine. (They can be kept in the camp room all week and taken home on Friday). Instructor: Cathy Durham

ENU 238-201, 15 hrs, Fee $145
5 sessions, 7/31-8/4, MTWThF, 1-4pm

Star Wars Force Academy

Choose your side in the battle for the galaxy! Before you can fight with Finn, Rey, Kylo Ren, you’ll need to train in the academy to be the best you can be. Are you a part of the Resistance or the First Order? What do you know about the force? Whatever side you fall into, you won’t be alone. You’ll have to learn how to work as a team and use everyone’s talents together to succeed! Instructor: Cory Dunt

ENU 239-202, 15 hrs, Fee $105
5 sessions, 7/31-8/4, MTWThF, 1-4pm

REGISTER EARLY!

To get into the camp of your choice, take advantage of our online registration at www.go.dtcc.edu/owenskidson-campus

For information: 302-259-6330 | Search classes and register online at go.dtcc.edu/owenskidsoncampus
Astronomy Camp
Come join us for a week filled with discoveries of suns, moons, and distant stars! During this week, you will learn about the solar system as well as universes beyond. Looking through a telescope will let you study the parts of our sun. Each camper will be able to take home a home-made telescope to continue their adventure at home. Get a closer look at the universe around us!
Instructor: Derek Dutton
ENU 218-201, 15 hrs, Fee $139
5 sessions, 8/7-8/11, MTWThF, 9am-noon

Basketball for Girls
This class includes defensive play, rebounding, passing, shooting, dribbling, and movement. Practice drills, lead-up games, and relays will be played. Apply skills in game situations. Wear comfortable clothes and sneakers. Report to the gym. Instructor: Wes Townsend
ENU 229-201, 15 hrs, Fee $99
5 sessions, 8/7-8/11, MTWThF, 9am-noon

Go, Team Go! Culinary Tailgate Party (Ages 7-16)
Calling all sport fans! Wear your favorite team’s colors to camp and be prepared to root on your home team. Explore the history of major sports as you kickoff with wings and Things and score a touchdown with snacks that you can make at home for the big game! Lots more recipes, plenty of excitement and a triathlon of delicious flavors to kick-off your summer! All food costs are included in tuition. Instructor: Chef Bonnie Aronson, CEC
ENU 884-201, 15 hrs, Fee $145
5 sessions, 8/7-8/11, MTWThF, 9am-noon

Choral Camp (Ages 6-12)
“Lights, Camera, Action!” You can become a star onstage as we combine singing, sign language, and movement in an exciting, fast paced choral workshop. Join us as we explore a variety of songs including familiar and original patriotic and popular songs. This is a fun-filled week you won’t want to miss! Our efforts will be displayed on Friday when we perform our final concert.
Instructor: Debby Dudley
ENU 560-201, 15 hrs, Fee $109
5 sessions, 8/7-8/11, MTWThF, 9am-noon

Celebrate America (Ages 7-16)
Come join us and celebrate the best regional U.S. specialties. You’ll prepare delicious dishes from around the United States. Be prepared to cook a holiday picnic – celebrating our heritage, traditions and culture. Lots of recipes that you will be able to enjoy and take home. Come taste what the United States has to offer! All food costs are included in tuition. Instructor: Chef Bonnie Aronson, CEC
ENU 253-201, 15 hrs, Fee $145
5 sessions, 8/7-8/11, MTWThF, 1-4pm

NEW INSTRUCTORS ARE ALWAYS WELCOME!

Workforce Development and Community Education is continually expanding its camp offerings.

If you would like to propose a new camp, email Erin Schutt at eschutt@dtcc.edu or 302-259-6366.
AUGUST 7-11

Basic Keyboard
Tickle the ivories as you play your way across the keys! Campers will learn the basic fundamentals of playing the keyboard, while building a foundation of music theory and notation and rhythms through games and exercises. Knowledge gained at this camp can lay the foundation to further explore the piano or other musical instruments. Campers will share their accomplishments in a final performance on Friday. This is not only the first step toward learning to play the piano, but also toward fostering the love of music! Students must bring their own keyboard which can be stored in the classroom during the camp week.
Instructor: Debby Dudley
ENU 892-202, 15 hrs, Fee $135
5 sessions, 8/7-8/11, MTWThF, 1-4pm

Zombie Apocalypse
Would you be prepared if your whole world changed tomorrow? What if the Zombie Apocalypse happened over night? Imagine if there was no internet. No cell phones. No electricity. What if you didn’t have a car to get around in? This camp will teach you the emergency skills to be the leader of your group and not be helpless in an emergency.
ENU 289-201, 15 hrs, Fee $119
5 sessions, 8/7-8/11, MTWThF, 1-4pm

MULTIPLE CAMP DISCOUNT
Sign up for 3 camps and get each additional camp at $10 off the regular tuition. This discount is available per family and the discount is applied to the lowest priced camps. The minimum of 3 camps can be registered by one or more children within the same household. After the initial 3 camp purchase, the reduction will be applied to each additional camp registered by any member of the same household. Plan your summer now! To receive this special discount, please call our registration team at 302-259-6330.
(Scholarship recipients are not eligible for the discount.)
Sweet Treats Dessert Camp
Measure, mix and bake your way to fun during this summer camp. Who doesn’t love a yummy dessert? Campers will learn a variety of pastry skills from cupcake and cookie decorating to hand-made galettes and no-bake desserts. Express your creative side and expose yourself to new baking techniques. A scrumptious way to spend part of your day! Grocery/lab fee included in registration.

SCHOLARSHIPS AVAILABLE
Scholarships are available for summer camps with an approved application turned in by May 1.
Please call 302-259-6330 for information and availability.
Creative Writing: Writing Your Way
Writing should not be hard work - no grades, no homework, just creating compelling and engaging stories which allow readers to experience what matters to you most. You can write in whatever form inspires you from prose (memoir, fiction) to poetry and read your work out loud in a safe, positive environment. Skills developed through a creative writing workshop improve literacy skills and build self-esteem. Please bring either paper or a laptop for your work. Instructor: Patricia Colburn
ENU 510-201, 15 hrs, Fee $99
5 sessions, 6/19-6/23, MTWThF, 9am-noon

5 sessions, 6/19-6/23, MTWThF, 1-4pm

Programming and More with Raspberry Pi
(Ages 9-16)
Campers are introduced to the world of computer science using a Raspberry Pi (www.raspberrypi.org) – a single board computer that’s about the size of a credit card! It is a capable little computer which can be used in electronics projects, and for many of the things that your desktop PC does, like spreadsheets, word-processing and games. It also plays high-definition video. This camp will provide a fun, interactive way to learn how computers work, how to manipulate the electronic world around you, and the basics of computer programming. Build your own to take home at the end of the week! Students will receive a full Raspberry Pi Unit with SD memory card the first day, but are not permitted to take the Raspberry Pi home until the final day of camp. Computer cost is included in tuition. Instructor: Derek Dutton
ENU 885-201, 15 hrs, Fee $215
5 sessions, 6/26-6/30, MTWThF, 9am-noon

5 sessions, 7/24-7/28, MTWThF, 9am-noon

Programming and More with Raspberry Pi (Ages 9-16) Intermediate
Campers are you interested in more Raspberry Pi? Didn’t have enough fun with your Raspberry Pi course and want to learn more? Come to this intermediate course that will cover how to get even more out of your computer. In this camp, you will cover more indepth coding, programs to modify and enhance your computer, and how to manipulate your Pi. Please bring your Raspberry Pi throughout the week. Computer cost is not included in tuition.
Instructor: Derek Dutton
ENU 233-201, 15 hrs, Fee $115
5 sessions, 7/31-8/4, MTWThF, 9am-noon

Computer Music Production Program
Using modern technology to make music has changed the course of popular music as we know it today. Revive Sound Productions will offer education and training on a range of computer based production skills from the introductory level to the intermediate level. Each student will be challenged to take his or her imagination to the next dimension. During the week, students will have hands-on opportunities to create beats, design sounds, make songs, and produce radio commercials. Instructor: Revive Sound Productions
ENU 224-201, 15 hrs, Fee $109
5 sessions, 7/31-8/4, MTWThF, 1pm-4pm

Sewing Savvy-Intermediate (Ages 9-16)
Think you have mastered the basic skills of sewing with your machine? Come learn advance techniques including hand stitching, reading advanced patterns, putting zippers in clothes, and sewing buttons! In one short week, you will be able to take home a pillow, apron, skirt or pants with a zipper, pillowcase, and placemats made by you! Students must bring their own sewing machine. (They can be kept in the camp room all week and taken home on Friday).
Instructor: Cathy Durham
ENU 238-201, 15 hrs, Fee $145
5 sessions, 7/31-8/4, MTWThF, 1-4pm

Go, Team Go! Culinary Tailgate Party (Ages 7-16)
Calling all sport fans! Wear your favorite team’s colors to camp and be prepared to root on your home team. Explore the history of major sports as you kickoff with wings and Things and score a touchdown with snacks that you can make at home for the big game! Lots of recipes, plenty of excitement and a triathalon of delicious flavors to kick-off your summer! All food costs are included in tuition.
Instructor: Chef Bonnie Aronson, CEC
ENU 884-201, 15 hrs, Fee $145
5 sessions, 8/7-8/11, MTWThF, 9am-noon

Celebrate America (Ages 7-16)
Come join us and celebrate the best regional U.S. specialties. You’ll prepare delicious dishes from around the United States. Be prepared to cook a holiday picnic – celebrating our heritage, traditions and culture. Lots of recipes that you will be able to enjoy and take home. Come taste what the United States has to offer! All food costs are included in tuition.
Instructor: Chef Bonnie Aronson, CEC
ENU 253-201, 15 hrs, Fee $145
5 sessions, 8/7-8/11, MTWThF, 1-4pm
**Design and Build: Hands on Architecture (Ages 9-12)**

Working alongside Delaware Tech’s Engineering faculty, budding architects will work with sketch paper, computers, 2D and 3D software and color printers to design the buildings of the future. Budding architects will transform their designs from the page and screen into models using LEGOs, chip board, Popsicle sticks, and other materials. Imaginations will soar, creativity will flow and there will be lots of fun as young designers explore the world of architecture! Instructor: Derek Dutton

ENU 267-201, 15 hrs, Fee $135
5 sessions, 7/10-7/14, MTWThF, 1-4pm

**Music and Voice Production Camp (Ages 13-16)**

Does your child dream of what it’s like to be behind the microphone, performing like their favorite singer? Well, here’s their chance! This one-of-a-kind camp designed by a GRAMMY award winning music producer and two-time Parent’s Choice Gold winner offers campers an actual recording studio experience by introducing them to the amazing world of the music industry. Campers will have a blast developing their skills in songwriting, music recording, voice-overs, and audio equipment operation. Campers can work interchangeably as talent and/or crew, behind the scenes or behind the microphone. They’ll learn vocal warm up routines, perform voice-overs and tv/radio announcements. Have a blast singing karaoke to their favorite songs, and the best part is they will have the unique opportunity to create their very own song from start to finish and record it live! Campers will receive one professionally edited audio CD that contains all of their camp recordings for the week. This CD is included in the camp fee.

Instructor: East Coast Recording Company

ENU 888-202, 35 hrs, Fee $299
5 sessions, 7/17-7/21, MTWThF, 9am-4pm

**Ice Cream Business Extravaganza (Ages 9-12)**

I scream, you scream, we all scream for ice cream!! Come learn how you can use this popular dessert to create a business. Campers will participate in creative projects and enthusiastic activities while learning concepts about money and making it in business. Artfully create displays of your business concepts and finish off the week in a fun delicious competition and field trip. A beginners look combining entrepreneurship and ice cream!

ENU 854-201, 15 hrs, Fee $119
5 sessions, 7/17-7/21, MTWThF, 1-4pm

**Junior Police Academy (Ages 9-12)**

Learn what it takes to be a police officer! The Junior Police Academy will cover aspects of law enforcement training and provide fun, practical applications through the use of classroom instruction, hands-on demonstrations, and scenarios. The program is designed to introduce students to their local law enforcement personnel and provide a basic understanding of police work. Fingerprint your way to fun!

ENU 823-201, 15 hrs, Fee $89
5 sessions, 7/24-7/28, MTWThF, 9am-noon

**NEW INSTRUCTORS ARE ALWAYS WELCOME!**

Workforce Development and Community Education is continually expanding its camp offerings.

If you would like to propose a new camp, email Erin Schutt at eschutt@dtcc.edu or 302-259-6366.
Health Career Exploration (Ages 9-12)
Are you intrigued by the work you see on Grey’s Anatomy? Interested in health care as a possible job? This camp will give students a chance to see first-hand careers in nursing, physical therapy, paramedics, radiologic and respiratory care technologies. Students will participate in several fun games and activities intended to teach them the skills needed in health care. Current DTCC students and staff will be available for the campers to ask detailed questions about the day to day experience of working in these career fields.

ENU 641-201, 15 hrs, Fee $89
5 sessions, 7/24-7/28, MTWThF, 1-4pm

How to Become a Meteorologist (Ages 6-8)
Ever wonder how a meteorologist predicts rainshowers, snow, or sunshine? You can learn how to forecast the weather just like them by learning what to look for in the atmosphere. During the week, you will learn how to read and understand the same information meteorologists use. At the end of the week, you will be able to make your own weather segment for a news broadcast. Never get caught without your umbrella or jacket again! Instructor: Alexandra March

To Route 113 North/South

Main Entrance
Parents/guardians will be notified via email as to the exact location of their child's camp.
Authorization Form & Immunization Record
Please return to Delaware Tech, Workforce Development and Community Education, 21179 College Drive, Georgetown, DE 19947, Attn: Kids on Campus, prior to class; fax to 302-259-6759; or bring it in person. Mandatory must be received one week prior to camp. Forms can be found online or by calling 302-259-6330.

Age Appropriateness
It is best for the student to be the appropriate age by the first day of class. Courses are designed to be age appropriate and coincide with all socialization aspects of the program.

Cancellations/Refunds
Refund and/or transfer requests must be made prior to the Wednesday before camp. Please note that refunds for payments made by check may take a minimum of four weeks to process; credit cards one week. For more information, please call 302-259-6330.

Clothing
Students should dress appropriately for the class that they will attend. Class descriptions will provide the necessary requirements. Temperatures fluctuate in some of our classrooms, so please remember to bring a sweater or sweatshirt.

Electronic Devices
Campers should NOT bring electronic devices. Delaware Tech will not be responsible for any lost, broken or stolen property. Please do not bring a cell phone.

Food
If your camper brings lunch or snack, please label the camper’s lunch bag with name and age.

T-Shirts
Each camper will receive a Kids On Campus T-shirt for participation in our summer camps. Select shirt size during registration. Note: only one T-shirt per child/not per camp.

Sunscreen
Campers will be participating in many outdoor activities. To be prepared for the sun, apply sunscreen every morning before coming to camp. Campers may also bring more sunscreen with them to camp.

Check-In/Check-Out Policy
Parents/Guardians must sign their children in and out each day and provide us with their most current emergency contact number. If not a parent/guardian, parents must provide the name of the person checking the child in/out. Identification will be required. It is the responsibility of the parent to be on time to pick up your child. If you are more than 15 minutes late for pickup, there will be a $10 late charge added to your account.

Equipment
Please bring only the equipment necessary for class. Delaware Tech does not have the ability to safeguard equipment.

Emergency Procedures
Upon registration, all campers will be automatically enrolled in our Kids On Campus Alert System. More information will be emailed to guardians. If there were to be a total evacuation of the building, all students will be walked to the Howard T. Ennis School, located behind Delaware Tech at 20346 Ennis Street, Georgetown, DE for parent pick up.

Medical Procedures
Each camper is required to have personal medical coverage and accident insurance. Delaware Tech does not provide this coverage. Parents will be informed immediately in the event of an emergency. The parent will be responsible for picking up the camper and determining if further medical attention is necessary. In case of an emergency requiring immediate medical attention, camp staff is required to: make the child comfortable, call for an ambulance, and notify the parent and camp manager who will accompany child to hospital.

Pickup or Drop-off (Other than legal guardian)
Please write a note and submit it with the authorization form if you wish to have someone other than the legal guardian picking up your child.

Problem Management Procedures
Discipline problems will be addressed in the following manner: Behavioral problems will be handled by the camp manager. If the problem persists, the parent will be notified. If the problem continues to exist, the camper will be dismissed from camp and will not be permitted to return. Refunds will not be granted if campers are dismissed from camp. Automatic dismissal from camp may occur at the camp manager’s discretion.

Due to State of Delaware Public Health requirements, we are obligated to CURRENT IMMUNIZATION RECORDS on file for each camper. You must provide a photocopy of your child’s immunization record prior to the first day of camp that indicates they are up-to-date on the following immunizations: Diphtheria, Rubella, Measles, Tetanus and Mumps. Doctor’s office may fax directly to 302-259-6759 or email to owens-workforcedevelopment@dtcc.edu.

• In the event that I, my emergency contact, or my family physician cannot be contacted in an emergency, I, __________________________________________ (Print Name) hereby give my consent to Delaware Technical Community College to arrange for or provide all emergency medical and dental care necessary to preserve the health of my child. My consent includes the transportation necessary to preserve the health of my child as well as transportation to any and all activities, whether on or off property owned or controlled by the College, in which my child is a participant. I acknowledge that I am responsible for all charges in connection with any care and treatment rendered. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medical care with respect to my child.

• Permission is hereby granted for my child to attend and participate in all activities, including those off of property owned or controlled by the College, scheduled in connection with the camp. I understand and acknowledge that participation in the camp and its related activities carries with it the possible risk of physical injury, including serious disabling injury or even death, to my child. I further acknowledge that my child has no physical or psychological problems that would prohibit his/her participation in camp activities. On behalf of my child, I expressly assume all such risk of physical injury or death and hereby release and will hold the Delaware Technical Community College, its trustees, employees and agents, harmless for any and all liability, including negligence actions, claims, debts and demands of every kind whatsoever which arise directly or indirectly from my child’s participation in the camp. Moreover, I understand that I am fully responsible for any and all losses or damages that my child inflicts upon any person or upon property, whether on or off of College grounds, during my child’s participation in the camp.

• I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional, informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television, and brochures. I waive the right to approve such uses and I release Delaware Technical Community College from any liability in connection therewith.

I HAVE CAREFULLY READ ALL OF THE INFORMATION ON THIS FORM AND VOLUNTARILY AGREE TO ALL TERMS AND CONDITIONS. I AM THE LEGAL GUARDIAN OF THE CAMPER AND UNDERSTAND THAT THE INFORMATION, TERMS, AND CONDITIONS CONTAINED ON THIS FORM SHALL SERVES AS A RELEASE AND ASSUMPTION OF LIABILITY FOR MY HEIRS, EXECTORS, AND ADMINISTRATORS.

Notice of Availability of Annual Security Report

Delaware Technical Community College maintains an annual security report as required by the Clery Act. The College's annual Clery Act report contains information on campus security and personal safety, including crime prevention, the law enforcement authority of College public safety officers, crime reporting policies, certain specific College policies, and other important matters about security on campus. The report also contains statistics for the three previous calendar years on crimes that were reported to have occurred on campus, in certain off-campus buildings or property owned or controlled by the College, and on public property within or immediately adjacent to and accessible from the campus.

The College's annual Clery Act report is available on the Delaware Tech Web site at https://www.dtcc.edu/about/public-safety/your-right-know. A printed report may also be obtained free of charge from the Office of Public Safety at each campus upon your request.

Statement of Nondiscrimination Policy

It is the policy of the College that no person shall, on the basis of race, color, creed, sex, national origin, age disability, sexual orientation (defined exclusively as heterosexuality, homosexuality, or bisexuality), or genetic information be subjected to any discrimination prohibited by the Civil Rights Act of 1964, as amended; the Age Discrimination in Employment Act, as amended; Americans with Disabilities Act, as amended; Section 504 of the Rehabilitation Act of 1973; Title IX of the Educational Amendments of 1972; the Genetic Information Nondiscrimination Act of 2008 and other applicable laws, regulations and Executive Orders. This policy applies to recruitment, employment and subsequent placement, training, promotion, compensation, continuation, probation, discharge and other terms and conditions of employment over which the College has jurisdiction as well as to all educational programs and activities.

The College has designated a Civil Rights Coordinator, who serves as the College's Title IX Coordinator and the College's ADA/Section 504 Coordinator, to carry out its commitment to equal opportunity and nondiscrimination. Inquiries or complaints by students or employees regarding the College's nondiscrimination policies may be addressed to:

Christina M. Garcia
Civil Rights & Title IX Coordinator
Office of the President
100 Campus Drive
Dover, DE 19904
(302) 857-1903
civilrights@dtcc.edu
Financial assistance is available for summer camps and is based on income eligibility.

Applications will be considered on a first come, first served basis.

For information and scholarship criteria, please call 302-259-6330.
