Supported through The Fund for Global Understanding
Delaware Technical Community College offers a Global Understanding Series for Delaware Tech students, staff, and the local community that features a variety of programming focusing on increasing cross-cultural understanding, promoting diversity, and understanding global issues. These presentations, performances, and workshops aim to showcase and engage the college’s diverse community, and to give participants an opportunity to share their own global perspectives.

• **Global Voices** presentations provide a personal perspective on a global issue, region, culture, or people.
• **Postcards from Abroad** sessions are presented by Delaware Tech faculty, staff, and students who have participated in past study abroad programs or the faculty/staff professional development program.
• **Global Skills** sessions teach participants how to enhance skills in cross-cultural arts or communication and provide the opportunity to apply what they have learned in a short interactive activity.
• **Arts & Culture** sessions immerse participants in the international arts, such as dancing, cooking, traditional dress, or theater.

---

**Annual Global Understanding International Experience Drawing**

Delaware Technical Community College offers a Global Understanding (GU) Series for Delaware Tech students, staff, and the local community that features a variety of programming focusing on increasing cross-cultural understanding, promoting diversity, and understanding of global issues.

**Guidelines for Students:**
Students must fill out the Global Understanding passport information form to obtain a Global Understanding Series Passport. Students who attend events must bring their passports, arrive on time, and stay for the entire event in order to receive a stamp in their passports.

Students will receive one (1) raffle entry for each event attended during the 2019 calendar year. The raffle winner will be drawn at the Photo Contest Reception in November 2019, and will win a study abroad experience (coverage of the study abroad travel expense) for a Delaware Tech study abroad course of his or her choice in 2020.

- For students, the study abroad program credit must be used for the upcoming study abroad year (January – December).
- Students must enroll in the course for their chosen study abroad destination. The monetary credit does not include the cost of the course tuition and registration fee. This award cannot be transferred or postponed to later years.

**Guidelines for Faculty and Staff:**
Are you a global ambassador on campus? Have you implemented an innovative lesson or activity related to the Global Understanding Series content this year? Do you plan to integrate it into your curriculum or work here at Delaware Tech?

Let us recognize and reward you for innovation in Global Understanding! Please let us know about how you meaningfully integrated the Global Understanding Series content into a class, club, employee, community, or other educational experience.

One winner per campus each semester will be recognized as a “Global Ambassador” at the College, and will receive a $250 VISA gift card. Winners will be determined by the campus Global Understanding go.dtcc.edu/global and on the MyDTCC portal. For the 2019 calendar year, entries will be accepted until December 1, 2019 via the on-line form linked on the MyDTCC Portal.

- To access the Global Ambassador entry form, go to bit.ly/GUSAmbassador
- The spring Global Understanding events can be viewed on this flyer or online at go.dtcc.edu/global
- All regular full and part-time faculty and staff are eligible to enter. An individual may submit more than one entry per semester.

Individuals working together may submit together. The activity must occur during the semester(s) listed.
