

Experienced, Unique, Affordable

We have been serving folks since 1982 in various ways: restaurants, banquets, and catering of all types. In all that we have done, and continue to do, we strive for your satisfaction with our service and food.

We make your choices from scratch. Sauces, dressings, sides, and entrees are made with quality ingredients that are locally supplied when possible. Even our dinner rolls are made from scratch. This all adds up to a meal that is naturally delicious.

Below are our basic policies.

Most special requests can be handled by our experienced staff, but should be discussed in advanced.

Advanced notice is very important for planning, scheduling, and performance.

The “Sooner the Better” as the saying goes.

The final count on all events is due 7 business days prior to the event.

Final menu selections should be made 10 business days’ in advance.

We can accommodate last minute arrangements; however, there will be an additional “rush charge” of 20% for all events with less than 7 business days’ notice.

Final payment is due the date of the event with cash, check, or credit card.

All banquets are 3 hours in length. Additional hours will be charged according to the type of event.

Please contact Dawn Lewis by phone at 302-259-6870 or by email at dlewis66@dtcc.edu with the following information prior to your event:
