

# Summer Camps – Extended!

**August 13-17, 2018 - Week 10**

## **Stanton Campus**

### **Ages 6-12**

*Camp-on-Campus \$189/week*

Are you worried your child is over scheduled? Are you looking for a camp to allow your kids to be kids? Join us as campers engage in indoor and outdoor activities, athletic games and field trips. This camp provides access to the College's gym, athletic fields, computer labs and more. Plenty of on-campus activities give your child a rewarding learning experience on a college campus coupled with FUN and excitement. Camp-on-Campus is held from 9 am-4 pm.

### **Ages 9-12**

#### **Recess Rocks!**

We all know Recess Rocks because of one game...Kickball, Kickball, and more Kickball! Come have FUN, stay fit, and work together a team playing not only Kickball, but other FUN recess games! Games include: Capture the Flag, Four-Square, and so much more! Campers will get physical activity while building a culture of TEAMwork.

### **Ages 13-15**

#### **Counselor In Training**

Are you looking to grow your leadership skills before heading back to school? The Counselor In Training Program is designed to offer students an opportunity to prepare for positions as camp counselors. Training includes basic instruction in conflict resolution, peer mediation, and activity management. Emphasis is placed upon developing leadership skills and learning how to prioritize tasks. Students will enjoy plenty of on and off campus activities in the afternoon which provides them a rewarding learning experience while guaranteeing a summer filled with excitement and FUN.

## **Wilmington Campus**

### **Ages 6-12**

*Camp-on-Campus \$189/week*

Are you worried your child is over scheduled? Are you looking for a camp to allow your kids to be kids? Join us as campers engage in indoor and outdoor activities, athletic games, and field trips. Plenty of on campus activities give your child a rewarding learning experience on a college campus coupled with FUN and excitement. Camp-on-Campus is held from 9 am-4 pm.

### **Ages 9-12**

#### **Math Mania**

Math Mania will help you rocket into the new school year! Get ready to go back to school by sharpening your Pre-Algebra skills during this week of camp. Have fun with competitive advanced level math for ages 9 to 12 by exploring concepts with positive and negative integers, positive and negative exponents, the real number system, and basic algebraic equations.

*Extended Care \$35/week*

All Ages - Stanton and Wilmington Campuses  
7:30-9 am and 4-6 pm

Delaware Tech's Extended Care Program, includes games, competitions, afternoon movie matinees and much more! Campers at the Stanton Campus also enjoy activities in our college-sized gymnasium such as volleyball, basketball and popular group games.

# Jump Start Back to School week

**August 20-24, 2018 - Week 11**

## **Stanton Campus Ages 6-12**

*Camp-on-Campus* \$189/week

It may feel like summer has only just began, but this week at Camp-On-Campus we are preparing for back-to-school. Join us with traditional lessons, read alouds, games, quiet time, crafts, and writing activities to "jumpstart" students back to the school year. Campers will have time and space to work on their "summer packet."
