

CLASSIFICATION SPECIFICATION

Social Media Manager

FT/PT Class Code: 3113/3613 Pay Grade: B/C 17 FLSA Exempt Est. 11/7/17

SUMMARY STATEMENT: The manager of social media is responsible for assisting the vice president for strategic communication and marketing with developing and leading the College's social media strategy and related activities. This position coordinates with internal and external stakeholders to enhance and protect the College's online image and reputation; increases brand equity, presence and awareness; builds relationships with all stakeholders and promotes the College's mission on all social media platforms.

NATURE AND SCOPE:

The manager of social media reports to the vice president for strategic communication and marketing. This position is responsible for assisting the vice president with developing, leading, and maintaining Collegewide social media strategy, including assessing social media activities and performance, identifying strategic opportunities and developing effective programs to advance institutional objectives. Typical internal contacts include vice presidents, college and campus administrators, department chairs, faculty, staff and the public.

PRINCIPAL ACCOUNTABILITIES:

An incumbent may perform any combination of the below listed accountabilities:

1. Assists the vice president for strategic communication and marketing in the development and oversight of the execution of strategic social media initiatives in support of institutional goals.
2. Identifies, creates and maintains content of collegewide social media accounts.
3. Monitors daily social activity related to the College and engages diverse communities through relevant content, problem solving and customer service.
4. Maintains an editorial calendar for key social media initiatives and implements campaigns to build the College's visibility and enhance its reputation.
5. Tracks and analyzes metrics to produce regular reports for key stakeholders that cover campaign effectiveness, engagement and general trends.
6. Works collaboratively with web, marketing and media relations staff to integrate social media into promotional campaigns and campus and College communications.
7. Maintains a database of College-sponsored accounts.
8. Takes regular inventory of official and unofficial social media sites connected to the College.
9. Recommends, communicates and maintains collegewide social media guidelines.

PRINCIPAL ACCOUNTABILITIES, cont'd:

10. Serves as the College resource for social media utilization, best practices, policy and procedure.
11. Performs other related duties as required.
