Embark on a week-long science adventure in the College's lab! Make a discovery, test a hypothesis and demonstrate a known fact. They say "messiness is a sign of genius" so dress accordingly!

### Science of Storybook Classics - NEW

We will be helping our favorite storybook characters solve problems through experiments, STEM challenges and crafts. Jack needs to get down the beanstalk with a parachute! Save Hansel and Gretel by engineering a trap for the witch. Come learn how science can save your favorite storybook characters.

# Wilmington Campus Ages 9-12

## Camp-on-Campus \$189/week

Are you worried your child is over scheduled? Are you looking for a camp to allow your kids to be kids? Join us as campers engage in indoor and outdoor activities, athletic games, and field trips. Plenty of on campus activities give your child a rewarding learning experience on a college campus coupled with FUN and excitement. Camp-on-Campus is held from 9 am-4 pm.

## Specialty Camps \$189/week

Our Specialty Camps offer the "best of both worlds!" From 9 am-12 pm, campers will participate in their specialty camp. From 12-4 pm, campers will enjoy camp activities and field trips.

### Get Your Dance On! - NEW

Meet new friends who love to dance! Collaborate as a TEAM to learn moves from a variety of genres: hip-hop, jazz, ballet and more. At the end of the week campers will showcase an original performance for parents and campers.

### Lights, Camera, Action! - NEW

Are you ready to be a Star? Come spend a week working as an ensemble to create an original play - full of drama, comedy, suspense and one-of-a-kind characters! Friends and family are invited the last day of camp for a final performance.

### No Bake Cooking

This camp teaches our younger campers how to measure and how to mix up FUN treats for family and friends.

### Superfood for Superheroes - NEW

SUPERheroes need SUPERfoods to save the world and only YOU can help. Create healthy snacks for healthy living such as Hulk Juice, Captain America Snack Mix and much more. Campers will leave with their own recipe booklet of their SUPER creations.

## STEM Camps \$189/week

Our STEM Camps offer the "best of both worlds!" From 9 am-12 pm, campers will participate in their STEM camp. From 12-4 pm, campers will enjoy camp activities and field trips.

### App Adventure - NEW

Create your very own app in this FUN and educational camp that challenges your creativity and teaches you to code. This camp uses the MIT App Inventory to design and program a complete mobile app using drag-and-drop "code blocks". Please note: apps are compatible with Android devices. Applications are made in App Inventory and downloaded onto an Android phone.

### Digital Storytellers - NEW

Start with a concept, design the storyboard, add some dialogue, and watch as the characters in your imagination come to life in your first graphic novel! Rewrite the ending to Harry Potter, add yourself to Star Wars or create a new adventure - the choices are endless. Projects will be available to share with friends and family at the end of the week.

### Messy Science

Explore science in the world around us. Designed especially for the inquisitive youngster. Your budding scientists will question, theorize and investigate. Working as a team, campers will perform experiments and draw conclusions. They say "messiness is a sign of genius" so dress accordingly!

## Extended Care \$35/week

7:30-9 am and 4-6 pm

Delaware Tech's Extended Care Program includes games, competitions, afternoon movie matinees and much more! Campers at the Stanton Campus also enjoy activities in our college-sized gymnasium such as volleyball, basketball and popular group games.

# Innovation and Technology Center

Programs for ages 14-17

## Reinvent Yourself

What exactly are trade skills and how do they relate to you? Explore a variety of careers such as Carpentry, Woodworking, Manufacturing and Welding. Discover how important these skills are to everyday life. Not only will you learn something about trades, you might just learn something about yourself! Please dress appropriately.

## Innovation and Technology Center

# Ages 14-17

### Specialty Programs \$279/week

All new programs! Summer programs at Delaware Tech's Innovation and Technology Center (ITC) are developed to teach teenagers the basic building blocks that stack up to real-life skills. Even if your teenager is already coding up a storm, trade skills could give them a lifelong creative outlet. Join us this summer as we prepare students between the ages of 14-17 to **build it, repair it, and create it!** ITC summer programs are held 9 am-12 pm and then students participate in field trips from 12-4 pm with the Stanton and George Campuses' camps.

#### #NailedIt!

There's no better learning than hands-on learning. Apply practical woodworking skills as we emphasize the safe use and handling of both hand and power tools. Participants will complete a wood project to take home at the end of the week. Safety gear will be provided. Please dress appropriately.

#### Reinvent Yourself

What exactly are trade skills and how do they relate to you? Explore a variety of careers such as Carpentry, Woodworking, Manufacturing and Welding. Discover how important these skills are to everyday life. Not only will you learn something about trades, you might just learn something about yourself! Please dress appropriately.

#### Engine Overhaul

Time to roll-up your sleeves and prepare to overhaul! Small engines are low-powered internal combustion engines found in machines such as lawn mowers, chain saws, generators and ATV's. In this program you will learn how to safely troubleshoot and service small engines. Use your new skills to build awesome machines, or science projects, or just amaze your family and friends. Bring your elbow grease and dress appropriately.

#### 3-D Printer

Using 3-D printers, students will develop an appreciation for the manufacturing industry and how it can benefit many aspects of the world around us. Working in small teams, participants will create elaborate custom designs, print and adorn their creations, and will have a keepsake to take home and treasure.

### Extended Care \$35/week

7:30-9 am and 4-6 pm

Delaware Tech's Extended Care Program includes games, competitions, afternoon movie matinees and much more! Participants at the ITC also enjoy activities in our computer labs and workshops.

# 2018 Camp Registration Form

## Camp Authorization Form

**Camper's Name:** \_\_\_\_\_

Due to state of Delaware Public Health requirements, we are mandated to have on file current immunization records for all campers attending our camp. You must provide a photocopy of your child's immunization record that indicates they are up to date on the following immunizations:

- **Diphtheria • Rubella • Measles • Tetanus • Mumps**

(Please print) I, \_\_\_\_\_ hereby give my consent to Delaware Technical Community College, who will be caring for my child, to arrange for emergency/medical/surgical/dental care and treatment (including diagnostic procedures) necessary to preserve the health of my child. I acknowledge that I am responsible for all reasonable charges in connection with any care and treatment rendered.

### Medical Instructions

If it is necessary for your child to receive medication during camp, please do the following:

1. You **MUST** have a Pre-Camp meeting with Camp Management to discuss any maintenance drugs that are to be administered during camp. These meetings are not required for a child who will be receiving medication for a one time ailment (i.e. ear infection, sinus infection).
2. Send medication in the original container (as dispensed by pharmacy with date) properly labeled with the following information:
  - Correct name of individual receiving medication
  - Time medication is to be taken
  - Amount of dosage individual is to receive

### Authorization for Camp(s) and Extended Care

- I understand that Delaware Technical Community College will not assume responsibility for accidents and/or medical or dental expenses received as a result of participation in the camp/s.
- I give permission to Delaware Technical Community College to dispense the medication(s) listed on the Medication Administration Form, if any, to my child according to the information provided above. In the event that the emergency contacts cannot be reached, I hereby grant Delaware Technical Community College permission to give whatever immediate treatment is necessary and/or take my child to the nearest Hospital Emergency Room. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medication with respect to my child.
- I understand that no reduction in the tuition will be made for late arrival or early departure.
- I understand that no part of my tuition will be returned if my child should be dismissed from camp.
- I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional and informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television and brochures. I waive the right to approve such uses and I release Delaware Technical Community College from any liability in connection therewith.
- Permission is hereby granted for my child to attend all scheduled field trips and off-campus activities scheduled in connection with the camp. I understand and acknowledge that participation in the camp and related activities carries with it the possible risk of physical injury. On behalf of my child, I assume all such risk of physical injury and hereby release and forever discharge Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all liability, claims, expenses or losses arising from bodily injuries or damage to people or property resulting from my child's involvement and participation in the camp. I further acknowledge and agree that I will be fully responsible for any and all losses or damages that my child inflicts upon any person or upon the College facilities during participation in the camp.
- Deposits: The twenty five dollars (\$25) of your camp payment is considered a deposit to hold your child's camp seat. Deposits are non-refundable but it is possible that the deposit may be transferred according to the Transfer Policy below.
- Refund: If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the \$25 deposit. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds for payments made by check may take six to eight weeks to process.
- Transfer Policy: If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week previously enrolled in. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

I have carefully read all of the information, policies and procedures above and in the camp booklet (and/or website) and I agree to all the terms and conditions. I am the legal guardian of the camper.
