Safety and Discipline
Please review the Parent/Camper Handbook (located online) with your child prior to his/her first day of camp. Campers will be notified of the safety rules on the first day of camp. Campers will be reminded to make safe choices when necessary, and will be responsible for the decisions they make. Please do not send a sick child to camp.
Discipline problems will be handled in the following manner (refer to the Camper Handbook for details):
1. Individual behavior problems will be handled by all counselors.
2. If problems persist, the camper will be referred to a camp manager and the parents will be notified.
3. If problem continues to exist, the camper will be dismissed from camp and will not be permitted to return.
- Refunds will not be granted if campers are dismissed from camp. Automatic dismissal from camp may occur at the camp manager's discretion.

Dear Campers and Parents:

Thank you for your interest in Delaware Technical Community College’s Summer Camp Program. We strive to provide a safe, exciting, and FUN-filled environment for children ages five to seventeen. Delaware Tech Summer Camps are offered at several convenient locations across New Castle County including the George Campus in Wilmington, the Stanton Campus in Newark, and the Innovation and Technology Center in New Castle. Our camp program offers the best of both worlds: education and fun.

The full day camp is Monday-Friday from 9 a.m. - 4 p.m. You have the option of choosing Camp-on-Campus, Sports, Cooking, STEM or Specialty Camps you want to experience from 9 a.m. - 12 p.m. Then from 12 - 4 p.m., you will participate in on- and off- campus activities including field trips. The field trips offer a variety of excursions from skating to bowling to the trampoline park and more. While on campus, the activities may include kickball tournaments, exposure to degree programs at the College, and community outreach presentations. No matter what camp or week you attend, there is always something new and exciting for you to discover!

The half day camp options have been amplified! We wanted to offer camps that will accommodate your busy summer schedule. Half day camps are Monday-Friday and allow you to choose either 9 a.m. - 12 p.m. or 1 p.m. - 4 p.m. options. Combine two separate camp selections to maximize your summer experience.

Summer camp is right around the corner! Please be aware that camps sell out fast so register early for best selection! All you need to do to register and reserve your space is make a $25.00 non-refundable deposit for each week chosen. The balance of each week of camp is due ten days prior to the start of each camp week.

The camp staff have been busy preparing for the summer camp season. Whether this is your first year at camp or tenth, it doesn’t matter. We can’t wait for you to see what we have in store for you!

Please do not hesitate to contact us anytime at 302.453.3041; we are eager to speak with you, learn about your child(ren), and answer your questions!

We look forward to seeing you in June for a FUN-filled summer!

Best Regards,

Delaware Tech Camp Staff

(Please print) I, ____________________________, hereby give my consent to Delaware Technical Community College, who will be caring for my child, to arrange for emergency/medical/surgical/dental care and treatment (including diagnostic procedures) necessary to preserve the health of my child. I acknowledge that I am responsible for all reasonable charges in connection with any care and treatment rendered.

Medical Instructions

If it is necessary for your child to receive medication during camp, please do the following:

1. You MUST have a Pre-Camp meeting with Camp Management to discuss any maintenance drugs that are to be administered during camp. These meetings are not required for a child who will be receiving medication for a one time ailment (i.e. ear infection, sinus infection).

2. Send medication in the original container (as dispensed by pharmacy with date) properly labeled with the following information:
   - Correct name of individual receiving medication
   - Time medication is to be taken
   - Amount of dosage individual is to receive

Authorization for Camp(s) and Extended Care

- I understand that Delaware Technical Community College will not assume responsibility for accidents and/or medical or dental expenses received as a result of participation in the camp(s).
- I give permission to Delaware Technical Community College to dispense the medication(s) listed on the Medication Administration Form, if any, to my child according to the information provided above. In the event that the emergency contacts cannot be reached, I hereby grant Delaware Technical Community College permission to give whatever immediate treatment is necessary and/or take my child to the nearest Hospital Emergency Room. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medication with respect to my child.
- I understand that no reduction in the tuition will be made for late arrival or early departure.
- I understand that no part of my tuition will be returned if my child should be dismissed from camp.
- I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional and informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television and brochures. I waive the right to approve such uses and release Delaware Technical Community College from any liability in connection therewith.
- Permission is hereby granted for my child to attend all scheduled field trips and off-campus activities scheduled in connection with the camp. I understand and acknowledge that participation in the camp and related activities carries with it the possible risk of physical injury. On behalf of my child, I assume all such risk of physical injury and hereby release and forever discharge Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all liability, claims, expenses or losses arising from bodily injuries or damage to people or property resulting from my child’s involvement and participation in the camp. I further acknowledge and agree that I will be fully responsible for any and all losses or damages that my child inflicts upon any person or upon the College facilities during participation in the camp.
- **Required Deposits:** The twenty five dollars ($25) of your camp payment is considered a deposit to hold your child’s camp seat. Deposits are non-refundable but it is possible that the deposit may be transferred according to the Transfer Policy below.
- **Refund Policy:** If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the $25 deposit. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds for payments made by check may take six to eight weeks to process.
- **Transfer Policy:** If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week previously enrolled in. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

I have carefully read all of the information, policies and procedures above and in the camp booklet (and/or website) and I agree to all the terms and conditions. I am the parent/legal guardian of the camper.
