Safety and Discipline
Please review the Parent/Camper Handbook (located online) with your child prior to his/her first day of camp. Campers will be notified of the safety rules on the first day of camp. Campers will be reminded to make safe choices when necessary, and will be responsible for the decisions they make. Also, if your child is ill, please keep him/her home.

Discipline problems will be handled in the following manner (refer to the Camper Handbook for details):
1. Individual behavior problems will be handled by all counselors.
2. If problems persist, the camper will be referred to a camp manager and the parents will be notified.
3. If problem continues to exist, the camper will be dismissed from camp and will not be permitted to return.
• Refunds will not be granted if campers are dismissed from camp. Automatic dismissal from camp may occur at the camp manager’s discretion.

HALF DAY CAMPS

CrossFit on the Riverfront
(HALF DAY Camp ONLY 9 a.m. - 12 p.m.)
Delaware Tech has partnered with CrossFit RIV Athletic to bring our camps to a whole new level. Campers will have FUN in this active camp through a high-intensity fitness program incorporating pushing, pulling, running, throwing, climbing, and more. Campers will gain confidence and coordination, and improve fitness to help them in life.

STEM CAMPS

Jr. Scientist
Discover your inner scientist and spend the week investigating all types of science. Here’s your chance to learn about astronauts, chemists, paleontologists, and more through hands-on exciting activities. Dress accordingly!

Messy Science
Explore science in the world around us. Designed especially for the inquisitive youngster. Your budding scientists will question, theorize, and investigate. Working as a team, campers will perform experiments and draw conclusions. They say “messiness is a sign of genius” so dress accordingly!
Ages 5-7

**SPECIALTY CAMPS**

**No Bake Cooking**
Discover how to get involved in cooking while keeping you away from the hot stove. This camp teaches our younger campers how to measure, and how to mix up FUN treats for family and friends that do not need to be cooked, and are super easy to make. Join us for “Breakfast Day,” “Walking Tacos Day,” and “Healthy Fruit Day.” This is one camp you do not want to miss!

**Animal Kingdom**
Put on your adventure clothes and get ready for a wild ride through the animal kingdom! We are traveling to Africa, Asia, and Antarctica; the middle of the ocean; and a farm to learn about different animals. Prepare for discovery and expedition as we use our five senses to learn about the different animals around the world!

**SPORTS CAMPS**

**SUPERheroes & SUPERyou**
Batman, Mr. Incredible, Spiderman, Wonder Woman, and more ask YOU to join us for a week-long adventure of learning what a true hero is and becoming a hero yourself! This camp will inspire you to go further, and discover how to become a SUPER leader with FUN games, story adventures, art projects, and more! Harness your power within and sign up now for this SUPER camp!

**How to Be a Ninja Warrior**
Are you looking to become the next American Ninja Warrior? There is A LOT that goes into becoming a Ninja, but this camp will introduce you to a few simple ways to get started. From the basics of yoga and nutrition, to obstacle courses to challenges, and more, this camp will keep you active and prepare you to become the next American Ninja warrior.

WA: 11 - 13

HALF DAY CAMPS:

Explore the Marsh: Fish, Mammals, Insects, and More!
(HALF DAY CAMP ONLY 9 a.m. - 12 p.m.)
Did you know that Wilmington has a freshwater tidal marsh on the edge of the city? Did you know that many animals and plants also call Wilmington home? Join us as we partner with the DuPont Environmental Education Center to explore the animals and plants of the marsh. Use nets to catch animals in the pond and then bring them into the lab to examine. Discover how mammals and insects survive and the important jobs they have in nature. By the end of the week, you will be able to construct your own marsh and pond food chain to take home.

CrossFit on the Riverfront
(HALF DAY CAMP ONLY 9 a.m. - 12 p.m.)
New this year, Delaware Tech has partnered with CrossFit RIV Athletic to bring our camps to a whole new level. Campers will have FUN in this active camp through a high-intensity fitness program incorporating pushing, pulling, running, throwing, climbing, and more. Campers will gain confidence, coordination, and improve fitness to help them in life.

Adventures on the Riverfront: Canoe, Kayak, Bike and More!
(HALF DAY CAMP ONLY 9 a.m. - 12 p.m.)
Join us for an adventurous week as we partner with the DuPont Environmental Education Center to experience Wilmington like no other! Learn basic paddling skills by canoeing and kayaking, hike along the shore to survey plant and animal life, and discover biking the Markell Trail.

STEM CAMPS

Podcasting Boot Camp
NEW!
Do you have a budding voice behind the mic? Do you have a creative mind that loves to tell stories? This camp is for you! During this hands-on camp, you will share your story by creating your own podcast. Discover interviewing and editing techniques, ways to engage your audience, and so much more! Podcasting is the wave of the future.

SPECIALTY CAMPS

Game Show Mania
C’mon down to Delaware Tech’s Game Show Mania! Do you want to become the next contestant on The Voice, Double Dare, or American Ninja Warriors? Join us for this fun and exciting week as campers participate in a variety of TV game shows. Campers will compete throughout the week by earning points for having the most spirit, answering questions correctly, and most importantly having FUN.

Meals in Minutes
NEW!
This camp teaches you how to mix it up by using the microwave! The microwave is surprisingly handy when it comes to preparing food on the fly. It is easy and convenient. From queso blanco dip, to mac and cheese, to sweet potato chips, to fudge... you don’t want to miss out on this experience!

Two Thumbs Up: Movie Critic
NEW!
Movies are mostly recreational; however, they can also have enormous cultural value. During this camp, students will watch movie clips from a variety of movie genres. Afterwards we will review content, analyze themes, and evaluate the overall viewing experience. Students will be provided notebooks to record their thoughts and opinions.

SPECIALTY PROGRAMS
Summer programs at Delaware Tech’s Innovation and Technology Center (ITC) are developed to teach teenagers the basic building blocks that stack up to real-life skills. Even if your teenager is already coding up a storm, trade skills learned could give them a lifelong creative outlet. Join us this summer as we prepare students between the ages of 14-17 to build it, repair it, and create it! ITC summer programs are full day from 9 a.m. - 4 p.m. with a lunch break. Lunch must be provided on your own.

*Transportation to and from the ITC should be provided by Parent or Guardian.
*Camps at ITC do not offer field trips.

DIY- Home Repair & Handyman Basics
Do you find yourself going on YouTube to search “How To” videos to design, build, or repair? Do you catch yourself watching the HGTV or DIY channel and want to learn how to complete some home projects? If you answered yes, then this is for you! Discover the basics of home repair: drywall, plumbing, electricity, and tiling. This class is taught using demonstrations and hands-on activities that will prepare you to be #HandymanReady!

Engine Overhaul
Time to roll-up your sleeves and prepare to overhaul! Small engines are low-powered internal combustion engines found in machines such as lawn mowers, chain saws, generators, and ATVs. In this camp you will learn how to safely troubleshoot and service small engines. Use your new skills to build awesome machines, science projects, or just amaze your family and friends. Bring your elbow grease and dress appropriately.

NEW - DIY Creations
Recycle, Reuse, and Renew! Transform unwanted materials or products into new creations. Upcycling is fun and creative, but more importantly, it reduces waste, saves money, and protects our environment. Together we can reduce our carbon footprint.
2 CAMPS IN 1!

Money TALX
Earn, Manage, Invest: The Fundamentals of Financial Literacy. Challenge misconceptions as we dialogue about income, needs vs. wants, and planning for the future. Using scenarios and activities, campers will enjoy a week-long application of various skills and methods used to manage finances.

The Leader in Me
A Leader “knows the way, goes the way, and then shows the way.” Based on “The 7 Habits of Highly Effective People," students in this camp will discuss the stages of leadership: independence, interdependence, and self-care. Using activities and scenarios, students will develop a sense of self and personal responsibility.

You do not want to miss this opportunity!

- I give permission to Delaware Technical Community College to dispense the medication(s) listed on the Medication Administration Form, if any, to my child according to the information provided above. In the event that the emergency contacts cannot be reached, I hereby grant Delaware Technical Community College permission to give whatever immediate treatment is necessary and/or take my child to the nearest Hospital Emergency Room. On behalf of myself and my child, I release Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all claims arising from emergency treatment and/or administration of medication with respect to my child.
- I understand that no reduction in the tuition will be made for late arrival or early departure.
- I understand that no part of my tuition will be returned if my child should be dismissed from camp.
- I give Delaware Technical Community College consent to use the name and/or photograph/video of my child for inclusion in promotional and informational and other materials which the College or its staff in its sole discretion consider to be of benefit to the College. This includes (but is not limited to) newspaper, television and brochures. I waive the right to approve such uses and I release Delaware Technical Community College from any liability in connection therewith.
- Permission is hereby granted for my child to attend all scheduled field trips and off-campus activities scheduled in connection with the camp. I understand and acknowledge that participation in the camp and related activities carries with it the possible risk of physical injury. On behalf of my child, I assume all such risk of physical injury and hereby release and forever discharge Delaware Technical Community College, its trustees, officers, faculty, and employees from any and all liability, claims, expenses or losses arising from bodily injuries or damage to people or property resulting from my child's involvement and participation in the camp. I further acknowledge and agree that I will be fully responsible for any and all losses or damages that my child inflicts upon any person or upon the College facilities during participation in the camp.
- Required Deposits: The twenty five dollars ($25) of your camp payment is considered a deposit to hold your child's camp seat. Deposits are non-refundable but it is possible that the deposit may be transferred according to the Transfer Policy below.
- Refund Policy: If your child is unable to attend a camp in which he/she is enrolled, you may request a refund for any amount paid over and above the $25 deposit. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request must be received by the close of business 10 days prior to the Monday that your child is scheduled to begin camp. Please note that refunds may take six to eight weeks to process.
- Transfer Policy: If your child is unable to attend a camp in which he/she is enrolled, you may request a transfer of the amount paid against that camp to another camp week that your child is not previously enrolled in, within the same camp season. You may not combine deposits to pay a balance for another camp week previously enrolled in. You must make your request in writing to Workforce Development and Community Education Camp Office via U.S. mail, or email at the address located at the bottom of the first (1) registration page. The request for the transfer of a deposit must be received by the close of business 10 days prior to the Monday of the camp week that your child was scheduled to attend.

I have carefully read all of the information, policies and procedures above and in the camp booklet (and/or website) and I agree to all the terms and conditions. I am the parent/legal guardian of the camper.
